Constipation Discovery

A new compound recently developed by science, BIOLIN, appears to be the answer to the age-old problem of constipation, colitis, gall bladder and other bowel conditions. This amazing discovery gives relief never before imagined by acting on the liver to increase flow of bile, assisting in digestion of fats and producing gentle, free movements, helping to prevent types of intestinal fermentation (gas) and constipation. Biolin tablets are available at Eugene's headquarters for Raymo wonder drugs, EVERYBODY'S DRUG STORE, 986 Willamette St., Eugene. The price $1.00. Mail orders postpaid.

Senate Votes Pension Hike

WASHINGTON—(AP)—The Senate Thursday voted a cost-of-living increase to retired civil service workers.

The yearly increase would be computed on the basis of an additional $36 for each six months elapsed between the date a worker retired and Oct. 1, 1952. However, the maximum raise would be limited to $324 annually or 25 per cent of the present rate, whichever is smaller.

The increase would end if the consumers' price index kept by the Bureau of Labor Statistics drops, for three consecutive months, below the index for April, 1948 (169.9). As of last mid-April, the index stood at 188.7.

Food spoilage is caused by bacteria.

Bellfountain Families Report Their Summer-Time Activities

BELLFOUNTAIN — Mr. and Mrs. Clare C. Washburn, the last remaining residents of the former Green Peak School District, are moving from their mountain home where they have resided for a number of years, to Vale, where they plan to reside.

At one time the Green Peak District supported two schools, the Green Peak and the Trout Creek schools, but first one family and then another left the area until only one family of children remained. This district was consolidated with Bellfountain District No. 23 of Benton County several years ago.

Mr. and Mrs. James T. Miller, who sold their Dawson property this spring and moved to Alpine, are now residing in one of the G. M. Gragg rental houses north of Bellfountain. They have two daughters, Carolyn Sue and Betty Lou.

Mr. and Mrs. W. Landon Regele, principal and fifth and sixth grade teacher in the Bellfountain School, have recently purchased a home west of Alpine, known to old timers as the Burnham place. They are planning to sell their Corvallis home and will move to the new location the last of this month.

Mr. and Mrs. Walter M. Griffin, who reside in the Richter rental house here in Bellfountain, have recently purchased the Harold Likens house in Alpine and plan to move there in the near future.

The Misses Doris and Linda Gragg and their brother Donald are home from their school and are at the parental G. M. Gragg home. Miss Doris Gragg has employment in Salem for the summer and will leave soon for her work as playground supervisor. Miss Doris Gragg has been teaching the past two years at Tacoma, while Linda and Donald are students at Willamette University.

It is reported that Mrs. H. C. (Gladys) Holter has rented the Richter house and will move from her home east of Monroe as soon as the Richter house is vacated by Mr. and Mrs. Griffin. Mrs. Holter is a long time resident of this area, and has spent several months here with her daughter, Mrs. Myrtle Whittington recently.

Keith Martin left recently for Gresham to assist his aunt and uncle harvest their berry crop. He will return home for Four-H Summer School at Corvallis.

Mrs. Earl Gilmore motored to Salem Monday, taking her daughter Miss Bessie Gilmore to Salem, where she is attending "Girl's State" this week at Willamette University. She will return home Saturday.

Miss Carol Litchfield, daughter of Atty. and Mrs. G. K. Litchfield of Newport, was chosen Queen of the Timber Carnival at Toledo and will be Miss Lincoln County at the Astoria Regatta. Mr. and Mrs. Litchfield taught for a number of years in the former Bellfountain High School.

ARTHRITIS SUFFERERS

Mr. J. H. Casey:
In regard to Casey's Compound I cannot praise it enough for what it has done for me. For two years I had arthritis in my finger joints. It was so painful, I could hardly move my fingers, the joints were so stiff and sore. After taking 3 bottles of Casey's compound I am free of pain and stiff joints. — Mrs. J. Stanley McLaughlin, 1115 Boone Rd., Salem, Oregon.

Soviet Envoy Sent to China

LONDON—(U.P.)—Alexander S. Panyushkin, recent Soviet ambassador to the United States, has been appointed Soviet ambassador to Communist China, the Moscow radio announced Friday.

The broadcast said Panyushkin, who served in the United States from 1947 until his recall last week, would succeed Nikolai Vasilyevich Roshchin as Russian ambassador to the Chinese People's Republic.

Panyushkin will be succeeded in Washington by Georgi Zarubin, who was ambassador to Britain until Panyushkin's recall was announced last Friday.

What's your best whiskey buy?

1. Have ¼ oz. of Calvert put in one glass and the same amount of any other whiskey in another—without knowing which is which.
2. Sniff one brand for aroma. Taste it critically for smoothness. Swallow carefully to judge its freedom from bite, burn or sting.
3. Taste the other whiskey in the same analytical way—then pick the one that really tastes better to you.

$4.05 ⅘ Quart
$2.55 Pint

Your own taste is the final test of whiskey value.

There's such a big difference in whiskies in smoothness, mellowness and freedom from bite that only you can decide which is your best buy.

That's why it will pay you to compare Calvert Reserve with any other whiskey. It has the taste most people like most because it is blended to a taste standard established by a "Consumer Jury" of thousands of folks like you.

But don't take our word alone. Test Calvert Reserve against any other whiskey—then make your own choice. Fair enough?

Bakers Reject Company Offer

By Associated Press

The six-week Pacific Northwest bakery strike continued unchanged Thursday as Portland and Tacoma bakers rejected new employer offers and no agreement was reached in negotiating sessions at Seattle.

More than 4,000 AFL bakers have been on strike in the three major cities since May 2.

Business Agent John Leffelman said the Portland vote, by secret ballot, was 254-72. Employers there had offered a $5 a week pay increase and a health and welfare plan costing management $8.66 monthly per man.

Tacoma bakers voted 82-18 to reject a proposal that wouldhave given them wage increases of from 6 to 22 cents an hour and an employer-paid health and welfare program starting at$3.40 monthly and reaching $8.66 by the end of a year. Union officials had recommended acceptance.

WOW President Keeps Post for Next Year

PORTLAND — (U.P.) — Alan Brown, Denver, Colo., was retained Thursday as president of the Woodmen of the World.

Delegates to the 21st Head Camp session of the WOW concluded three days of meetings by electing Brown, who had been appointed to the post three years ago.

John J. Cannon, San Francisco, was elected vice-president.

Brown announced the reappointment of J. Frank Freeman, Denver, as secretary-treasurer, and Bernard J. Seeman, Denver, as general counsel.
