

Bid Openings Set By School Board

Bids for construction of the recently authorized Cal Young Junior High School were called for opening on July 9 at 1 p.m., PST., at Monday night's meeting of the District 4 School Board.

Superintendent Clarence Hines reported that the government had already approved the use of critical materials in the school. The formalities of assuring water, power and sewer service have also been completed.

The board also called bids for opening July 14 on sale of the \$600,000 worth of bonds which voters approved for sale in last week's school elections.

A 22-ITEM agenda turned out to be duck soup for the board, after it spent an hour considering the first two subjects to come up.

A 66-passenger school bus was purchased, on a low bid of \$6,837.05 from E. A. Mock & Son. It was the lowest of 12 bids submitted.

The board voted to buy three appliances for school cafeterias. They were a Lang electric range, for \$430, from Central Restaurant Supply; five Hobart Electric mixers, for \$1933.75, from Oscar Spillid & Co., and a Polaris refrigerator, for \$579.01, from Hope Refrigeration. The first two were low bids. The Hope bid was accepted because the board said it offered better maintenance than a Seattle firm's low bid of \$533.40 on a Frigidaire.

A \$5 PER MONTH standard charge throughout the district for school lunches was adopted by the board for the coming school year. This action came after Hines had reported that the lunch program for the past year showed an operating deficit of \$5664.95. The board voted to make up this amount.

The reduction of federal support by \$4102, an extra \$991 in substitute cooks' pay and the necessity of purchasing some food previously obtained from federal

OPTIMISTS

STOCKTON, Calif.—(AP)—It rained in Calaveras County Sunday night and Monday but no one knew how much. It hadn't occurred to anyone at the weather station that there would be more rain this summer, so the rain gauge had been stored away.

Surplus stocks resulted in the deficit, Hines said. He also pointed out that \$3800 worth of food was still on hand, making an actual deficit of only about \$1800.

FIVE TEACHERS were hired by the board. They were Mrs. Mary Lou Alsing, coming here from Des Moines, Iowa; Mrs. Doris Day, from Springfield, and Mrs. Edna DeHaven, from Corvallis, all primary; Mrs. Elizabeth Holloway, as an assigned substitute, and Donald G. DeBrod, formerly of the English department at the University of Oregon, as English teacher for Eugene High.

A year's leave of absence was granted Mrs. Vera Gruber, third grade teacher at Washington School, and the resignation of Miss Marcelle Osborn, first grade teacher at Westmoreland was accepted.

Among its miscellaneous action, the board sold an organ which had been in the Magdalen School basement to Mr. and Mrs. O. K. Burrell for \$25. It also recommended the appointment of C. B. Flanagan and G. J. Johnson of Junction City as members of the Veterans Agricultural Advisory Committee.
