Denouncer
of His Kind

Rep.
Miss. (R) — Rep.
Barkin, the last of Missis-
sippi school white suprem-
acy denouncers of Yankees,
lost his seat to his former
opponent, Rep. Thomas Aber-
nethy.

Abernethy was op-
posed because the State Legis-
lature combined the districts last
year to eliminate a congressional
seat in the 1950 census.

DEFAT
Abernethy conceded defeat early
after unofficial re-
sults from 341 of the district's
precincts in Tuesday's state
primary showed:
Abernethy, 26,903.
Barkin, 20,568.

ABOUT VICTORY
Abernethy was
about dethroning the 70-
year-old Barkin, the Missis-
sippi delegation, who was
in his 17th term in the House
representatives.

Abernethy's victory statement
has been Rankin's friend
for his own 10-year tenure in
the House and "I regret we found
us in the same district,
eliminating our opposition un-
der the new law."

Chairman of the House
Affairs Committee, was
one of the bill creating the
Mississippi Valley Authority and
the measure creating the
Mississippi River Commission on
American Activities.

Abernethy, a senior member of
the Agriculture Committee,
has campaigned on two issues:
aid in Congress to aid
the cotton and his comparative

major voters kept the
anti-dry prohibition law
down a county-option
proposal.

After races U. S. Sen. John
Rankin in every county to win
the re-election against un-
der William Davis.

Rep. John Bell Williams,
Winfield and William Col-
umbus, rolled over all
to win another term in

RAF Has 'Best' Fighter Aircraft

LONDON (AP)—Britain says she
has the "most effective fighter
plane in the world," a triangle-
shaped jet called the Gloster
Javelin.

An announcement authorized
Tuesday by the Royal Air Force
said the weird-looking plane is
faster than sound—660 miles per
hour at sea level—and is "more
maneuverable and docile at lower
speed than any fighter since the
biplane era."

The Javelin is the world's first
twin-engine fighter of the delta
design, in which the swept-back
wings form a triangle virtually
the length of the plane's body. It
is 57 feet long and has a wing-
span of 52 feet.

Radio, TV Writers Labelled Pro-Red

WASHINGTON (AP)—A Senate
subcommittee report said Wed-
nesday that pro-Communist script
writers are spreading "subtle"
propaganda over the nation's ra-
dio and television airwaves.

"The thing is subtle," the re-
port of the Senate internal se-
curity subcommittee quoted script
writer Ruth Adams Knight as tes-
tifying at closed door hearings.

DENOUNCES REDS
Miss Knight, denouncing Com-
munist and communism, said
pro-Communist script writers
stop short of "laying down the
party line" in their program
scripts, but skillfully weave into
them "a constant derision of the
capitalistic system."

They aim, she said, at "the
simple people who listen to the
radio, who would turn off outright
Communist propaganda."

In question-and-answer testi-
mony quoted by the subcommittee
Miss Knight and Welbourn E.
Kelley denounced Ira Marion, a
one-time script writer for Voice
of America anti-Communist pro-
paganda broadcasts beamed to Is-
rael. Both swore in private life
Marion is an identifiable pro-
Communist.

TREAD LIGHTLY
The subcommittee in its own
findings, however, treated the
Voice broadcasts cautiously.
