Huskies Hand Idaho 39-14 Defeat

Golden Bears Topple COP 34-13

Heinrich Hits On 18 of 27 Pass Attempts

SEATTLE, Wash. (AP)—Don Heinrich, an eagle-eyed quarterback with a slingshot arm, passed the Washington Huskies to a 39-14 win over the Idaho Vandals Saturday before a crowd of 29,500.

Heinrich, Washington's leading candidate for All-American honors, completed 18 out of 27 passes for a total of 226 yards. He threw three consecutive strikes in the second period, and came within two tosses of the all-time Pacific Coast Conference record for completions in a single game.

Idaho scored more points than any Vandal eleven ever had against Washington. They scored 12 points twice—in 1900 and in 1938.

HUSKY SCORING

The opening game crowd in the Washington stadium was the largest ever to attend a Washington-Idaho contest. The most persons previously to see the Huskies and Vandals play were the 22,364 on hand for the 1948 game, which ended a season.

Scoring for Washington were halfback Bill Earley, who took a 27-yard pass from Heinrich in the first period and drove over right guard for two yards and another six-pointer in the second quarter; end George Black, scoring on a Heinrich pass from the Idaho 44 in the second period; halfback Bill Albrecht, driving over from the Idaho five in the third quarter; center Jim Noe, who intercepted a Vandal pass on the Idaho 32 in the third quarter; and fullback Sam Mitchell, who made an 87-yard runback of a Vandal kickoff in the final period.

Place-kicking specialist Murray Heminger, hailing from Lanai, Hawaii, booted three extra points in six tries. Heminger, who played barefooted football in the Islands, booted two of his good kicks in stocking feet.

VANDALS TALLY

Idaho's two scores came in the final 20 minutes as Washington coach Howie Odell cleaned the bench to give his reserves some time in competition.

The Vandals intercepted a pass from Husky quarterback Dean Rockey on the Washington 32 in the third period and halfback Dave Murphy scored from the two yard line eight plays later. Halfback Jay Buhler's kick was good.

In the final quarter Idaho drove 45 yards in 11 plays—it's only power drive of the game—with halfback Dave Pickett smashing over from the one-half yard line. Buhler again kicked the extra point.

SET FOR HEAVYWEIGHT CLASH—Jersey Joe Walcott, left, and challenger Rocky Marciano will wind up final heavyweight championship fight plans Sunday in preparation for their Tuesday bout.

Walcott, Marciano To Battle Tuesday

ATLANTIC CITY, N. J. (AP)—Heavyweight Champion Jersey Joe Walcott was at "razor edge" Saturday for Tuesday's defense of his crown against Rocky Marciano at Philadelphia.

Trainer Dan Florio said: "Joe's the sharpest I've ever seen him before a fight. It's a real razor edge; so we had to limit his boxing to three rounds Saturday and possibly just let him do shadow boxing in his final workout Sunday."

Florio's statement about "edge" was caused partially by Jersey Joe's blow-up Friday in a sparring session with Disappearing Billy Smith, who tried to land a sneak kayo on the 38-year-old champ's whiskers.

Meanwhile, Angelo Malandra—attorney for Walcott and Manager Felix Bocchicchio—eliminated any uncertainty about the fight being staged Tuesday night when he announced he was "practically positive" that all misunderstandings would be ironed out Sunday.

THINGS QUIET

Malandra made his announcement Friday night after telephone conversation with Harry Markson, managing director of the International Boxing Club, at New York. Markson indicated the "misunderstandings" about a return-bout contract would be eliminated without any concessions from Walcott, Malandra said.

Bocchicchio had threatened to withdraw Walcott from the fight unless Marciano and Manager Al Weill signed a "proper" contract guaranteeing Jersey Joe a return title fight within 90 days in case Rocky won the crown Tuesday night.

Rocky was asked if he could explain why Joe Walcott is so confident of beating him on Tuesday night in Philadelphia.

"Yes, I think I know why," he said. "He's probably rating me on my fight with Lee Savold. I've since learned that it was the Savold fight which convinced Harry Matthews' manager that he should take me on in a hurry before it became generally known that I was a bum."

"What they all overlooked in that fight," interrupted Charlie Goldman, Rocky's trainer, "was that Rocky had been running around the country for four months without a real fight and took an Savold on short notice. We knew he was rusty and we kept hammering at him to knock out Savold in a hurry. I was even yelling at him from the corner to get it over with quick.

"So he was over-anxious, and maybe he didn't look too good. That Savold knows a few things after fighting for 20 years. But the fact remains that Rocky stopped him and that Savold told a friend of mine it was the worst beating he ever got in his life. He wound up in the hospital, and everybody said Rocky looked terrible."

Marciano has never seen Walcott fight in the flesh. He's only seen Jersey Joe on television three or four times and a movie of his last fight with Ezzard Charles. He was asked if, from what he had seen, he had any idea whether the champion would be easier to hit with a left or a right. He thought it over carefully.

"Actually," he finally said, "I think he can be hit with either hand. I expect to hit him."

Fight Broadcast

Eugene radio station KUGN will broadcast a recreation of the Jersey Joe Walcott-Rocky Marciano heavyweight championship fight Tuesday night. The broadcast will start at 7:30 p.m. DST.

Big Car Races Billed For Fairgrounds Oval

Big car auto races will be held at the Lane County Fairgrounds, Sunday, Sept. 28. The three and one-half hour show will feature four heat races, a B main event, and A main event, time trials, and a trophy cash.

The American Racing Association of Southern California is putting on the speedway show. This will be the group's last appearance in the north. A special top will be put on the Fairgrounds track to keep dust from obscuring spectators' views. The big cars will feature 210-270 horsepower engines.

New Code of Ethics Proposed For College Football Coaches

ALBUQUERQUE (AP)—Picture, if you will, a football game anytime after next January.

Before the game, the coach meets his rival, shakes hands warmly and exchanges pleasantries about the weather, the kids and the missus.

The whistle blows, and the coach sits demurely on the bench, his hands folded in repose.

Occassionally, he turns to one of the players on the bench and requests:

"Malinkowski be so good as to go in there and tell the right guard he just doesn't seem to be feeling up to snuff today and to come sit down for a while."

TSK, TSK

There's a fumble and the official awards the ball to the other club and adds a 20 yard penalty on the coach's team.

"Tsk, tsk," says the coach taking a few notes.

Coaches might have to act along these lines under a new code of ethics drawn up by seven of the nation's top football coaches.

Dudley DeGroot, head coach at the University of New Mexico, has released terms of the code which will be presented to the American Football Coaches Association at it's January meeting. It is expected to be approved.

DeGroot is chairman of a committee appointed by the Board of Trustees of the AFCA to draw up a code governing coaches' conduct.

It calls for:

- No crying towel statements to the press on how many players have been lost through injuries or scholastic shortcomings.
- No participation in football polls, game of the week guessing contests or rating systems.
- No squabbling in the public press with the school administration, the athletic council or the officials.

POSITIVE SIDE

On the positive side, coaches would have to be courteous to the officials, rival coaches and players on the bench.

If there are any gripes about the officiating, there's to be no public display or mention in the newspapers. A letter should be written to the group which assigned the official whose judgment is challenged.

The dressing room doors would be locked to the press for 15 minutes following each game to allow the coach time to cool off and to prevent the "we were robbed" comments which regularly crop up.

Any infraction of the code could bring suspension or expulsion from the coaches' association.

Johnny O Sets Pace in Cal Grid Triumph

BERKELEY, Calif. (AP) — The University of California unleashed a herd of hard-hitting backs, led by fullback Johnny Olszewski, to grind out a 34-13 win over College of Pacific Saturday before 40,000 shirt-sleeved fans.

The convincing victory stamped the Golden Bears, the pre-season Pacific Conference favorites, as the team to whip for the Rose Bowl.

It was the powerful game of the Bears, paced by Olszewski, Paul Larson and Bill Powell, which rolled over a stubborn Tiger 11, that outweighed California, but was outpowered all the way.

Olszewski, ripping off consistent gains, broke California's all-time ground gaining record of 1,703 yards previously held by Jackie Jensen, early in the third quarter.

The Tigers threw a scare into Lynn "Pappy" Waldorf's boys as they roared back in the second half with a fast six pointer. Second string quarterback Roy Ottoson unleashed a passing attack and fullback Art Liebscher piled over from the seven. Decristofaro added the point to make it 14-13.

But California carried out its old game of "wear 'em down" the rest of the half as they drove for three more scores.

The Bears made 21 first downs while the Tigers pieced together 17.

California	7	7	13	7—34
Coll. Pacific	6	0	7	0—13

Touchdowns: California—Olszewski 2, Powell, Ellis, Larson; COP: McCormick, Liebscher.

CORVALLIS (AP)—A prize crop of freshmen athletes enrolled at Oregon State College this week, registration records showed Saturday.

The basketball list was particularly impressive with 7 foot 1 inch Wade Halbrook of Portland leading the parade. There also was Jerry Crimins, Milton-Freewater, who set the Oregon scoring record of 73 points in a game; Harlow Tucker, twice an all-stater while at Walla Walla; Dick Wilson, all-state forward from Kalispell, Mont.; and Jim Moya, all-city guard from San Francisco.

The football list included seven who were on the all-star squad for the annual Shrine game in Oregon, plus six out-of-staters who were named to all-star squads in their regions.

Barber Retains Golf Lead, Nelson Second

WASHINGTON (AP)—Little Jerry Barber clung tenaciously to first place Saturday in the national celebrities golf tournament with a 54-hole total of 209, but moving up was Byron Nelson, who shot into second place at 210 with the best golf of the tournament, a 67.

Barber played steady but unspectacular golf for a one-under-par 71.

Seixas Wins

LOS ANGELES (AP)—Vic Seixas of Philadelphia, captain of the United States Davis Cup team and the nation's No. 2 ranking player, Saturday beat Herbie Flam, 6-3, 6-3, 9-7, in the semifinals of the men's singles in the Pacific Southwest tennis tournament.

Stanford Trips Broncos 28-13

Bob Mathias Leads Mates to Victory

STANFORD, Calif. (AP)—A sharp passing attack and a strong ground game sparked by the line plunges of fullback Bob Mathias gave Stanford University's football team a 28-13 victory Saturday over Santa Clara.

Boomin' Bob, Olympic decathlon champ, who was not supposed to be in shape for the opener, played almost the entire game on offense and ripped off the consistent gains when yardage was needed most.

Mathias was in on the plays that set up Stanford's early scores, then tallied a touchdown himself midway in the fourth period when Stanford already had taken a 21-13 lead.

The game was played under warm, sunny skies before a crowd of approximately 20,000 in Stanford Stadium.

Stanford, champions of the Pacific Coast Conference in 1951, went into the game a slim one touchdown favorite.

Bill Gil put Santa Clara out in front in the first period when he plunged across from the one-yard line. The touchdown was set up when Bill Payne, Santa Clara end, blocked an attempted punt by Dave Castellucci, halfback.

Later Santa Clara drove to the Stanford one-yard line. But a holding penalty nullified the threat.

After a scoreless third period, Stanford struck again after only two minutes of the fourth when Garrett passed to Morley for a touchdown from the Santa Clara 24.

Midway in the fourth, Mathias led a drive that carried from the Santa Clara 24 to the one-foot mark from which Mathias rammed across for the touchdown.

Stanford	0	14	0	14—28
Santa Clara	6	7	0	0—13

Touchdowns: Gil, Cook, Stanton, Hare, Morley, Mathias. Points after touchdown: Garrett (4), Daly.

MARYLAND HAS SQUEAK

The University of Maryland's Sugar Bowl champion football team ran smack into the makings of an upset at the hands of Missouri Saturday, but squeaked out of it with a touchdown pass 70 seconds before the game ended and a 13-10 victory.

Jack Scarbath, brilliant All-America quarterback candidate, threw the deciding 36-yard pass to end Lloyd Colteryahn, who caught the ball on the Missouri 26 and ran to the end zone.

That play wiped out a 10-6 Missouri margin and cost Don Faurot's team its chance for a sensational upset and its first victory in a home opener since 1947.

COLORADO WINS

Colorado unwrapped its 1952-model football machine, billed as a team to watch in the Big Seven this fall, with an unimpressive 20-14 defeat of San Jose State before a crowd of 19,998.

The injury will deprive Colorado of Shelton's valuable services in the Buffs' two crucial games next weekend against Oklahoma and the following week against Kansas.
