

Adlai Labels Joe McCarthy Trial Champion

ST. PAUL, Minn. (AP)—Gov. Adlai E. Stevenson Saturday night denounced Sen. Joseph R. McCarthy as a "champion of trial by ordeal and slander" and called the Wisconsin Republican a member of a GOP "murderer's row" in Congress.

And Stevenson, the Democratic Presidential nominee, said Gen. Dwight D. Eisenhower's endorsement of McCarthy for re-election "can leave no doubt in anyone's mind that the general is hopelessly the captive of the Old Guard" of the Republican Party.

In an address at a Democratic rally the Illinois Governor said Eisenhower, his GOP rival for the Presidency, has "cheapened the time-honored custom of endorsements."

Stevenson said a "murderer's row" of Republicans will take over as chairman of some Senate committees if the party wins control of the Senate from the Democrats in the November elections.
