

DA Eager to Nip Illegal Alky Sales

District Attorney Eugene Venn said Saturday his office not only has the legal right but is "eager" to prosecute both the employee and employer of a store where a sale of beer or alcoholic beverage was made to a minor.

The sale of alcohol to minors, Venn said, "unquestionably constitutes more to juvenile delinquency than anything else."

The district attorney said that the sale of alcoholic beverages to a 15-year-old youth on May 15 at Eugene grocery store ended Friday with not only the youth who made the sale being prosecuted but also resulted in

Courthouse Work Starts

NEWPORT — Construction had begun Saturday on the new Lincoln county courthouse under a split contract.

The firm of Wall, Bertran and Sanford from Junction City agreed to contract for a portion of the work, in return for \$169,000 at this time. The balance of the project will be contracted after July 1, for a total figure of \$205,489.

The split contract arrangement was required because only \$180,000 has been raised by the first year of a special levy. A similar amount will be available after July 1, as the second year of the levy goes into effect.
