

Star's Apron In Two Lengths The Newest Day-Time Story

It's the prettiest way to look at home all summer (and coolest, too!) STAR PATTERN'S EXCLUSIVE new apron has two lengths—short, cobbler's style and the longer skirt length version will carry you gaily 'round the warm weather clock. It's an easy to make idea with button shoulders and quaint sash to nip in your own waistline. Pockets can be patch and flap style or hem-line on the cobbler's apron. Either version is at-home everywhere!

FABRIC SUGGESTIONS: All cottons, denims, sailcloth, broadcloth, ginghams, percales, chambrays in prints, stripes, plaids, checks. Cobbler's apron can easily be made in glazed chintz and the longer length style is a natural for ticking.

Star PATTERN NO. 261 comes in small, medium, large and extra large sizes.

MATERIAL REQUIREMENTS: Medium size cobbler's apron takes 3/4 yards of 35-inch. Longer length dress takes 4 1/2 yards of 35-inch.

For the STAR PATTERN NO. 261 shown above, send 50c in coin to STAR PATTERN Department, Eugene Register-Guard, Rincon Box 3032, San Francisco 19, Calif.
