Toth Appeals To High Court

WASHINGTON (AP)—Former airman Robert W. Toth has carried to the Supreme Court his fight against standing trial before an Air Force court-martial in connection with the 1952 slaying of a South Korean civilian.

Toth's lawyers have asked the high court to overturn a U.S. Court of Appeals decision that he may be court-martialed. The attorneys said the Toth case goes into the question of "whether and to what extent... Congress can convert our democratic civil government into a military oligarchy."

The appeals court decision upheld the constitutionality of a section of the uniform code of military justice applicable in Toth's case.

Toth, a steel worker following his honorable discharge in December 1952, was arrested by military police in Pittsburgh May 13 last year. He was flown to Korea for court-martial, but later was returned without standing trial. His lawyers then started a legal test of the validity of the Air Force's action.

SEAT OF GUATEMALAN GOVERNMENT — This is the stately government headquarters palace in Guatemala City, capital of Guatemala reported to have been attacked by air. According to Guatemalan Ambassador Amadeo Chinchillas, one bomb hit the Army headquarters in the city, another smashed the office of the chief of the armed forces there and another blew up the honor guard quarters.

Eugene Parks Activities

The Eugene Bureau of Parks and Recreation summer schedule of children's park activities swings into high gear Monday, after a first week of mostly rain and cold weather.

Schedules for the five play areas in the city parks system were released Friday, and a host of activities await youngsters Monday at 9 a.m.

University Park will have a wading pool available, tumbling, a story hour, baseball school and other activities during the week. Fairmount will feature organized games, arts and crafts, and on Friday will feature a picnic lunch and a hike to Hendricks Park.

Grant St. Park, on the north side of the city, will feature most of the activities that are held throughout the system. But on Friday, there will be a special "race day" event.

At Sladden Park, children will have a chance to do finger painting on Tuesday. Much the same type of activity will be held at Washington Park, according to scheduled plans.
