Automatic Defrost

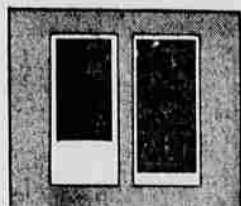

New FROST-LIMITOR starts defrosting action only when necessary! Adjusts itself to any climate! Super-rapid action completes defrosting automatically!

Rota-Cold Refrigeration
Cold air circulates uniformly throughout the fresh-food section... keeps food fresh anywhere in the cabinet—top, middle or bottom!

Extra-Roomy Storage
Plenty of space for large watermelons or turkeys. Convenient, easy-to-reach storage capacity. All aluminum shelves will not rust or corrode!

22% More Storage Space
Per square foot of floor space than comparable older models. This completely new G-E is bigger, roomier than ever! Big 8.7-cu.-ft. capacity.

HERE ARE SOME OF THE
FEATURES THAT HOUSEWIVES
ARE TALKING ABOUT

Your old refrigerator is undoubtedly using much more current than it should—as much as three times more than this G.E. during hot weather! Improper temperatures cause food spoilage also! Come in today and trade your refrigerator in for \$90.
