

VOTERS WITHIN THE SHADED AREA—which is the portion proposed for annexation to Eugene—will cast ballots Friday. The division between the two voting areas is the white line running east and west as an extension of about 4th Ave. There is no street to form the

line. It runs for the most part through fields. Persons north of the line will vote at the William Tweedie home, 3791 Elmira Rd. Those south of the line, in the W. 11th area, will vote at the Iverson Paint Store, 2780 W. 11th Ave. (Eugene map on Page 11A.)

88-Year-Old In Car Crash

A 1938 Plymouth coupe driven by the Rev. Francis L. Cook, 88, of 1551 Villard St., was reported a total loss Tuesday night by Eugene police following a two-car collision at E. 13th Ave. and Moss St. No one was injured.

Police cited the minister for driving without lights. He told police that he had driven the vehicle from the 1500 block on W. 5th Ave. to the scene of the wreck, more than two miles away, with lights off.

The accident occurred at 9:50 p.m. when the Cook vehicle collided with a 1949 sedan being driven south on Moss St. by Donald Robert Amundson, 31, of 1772 Oak St. The Rev. Cook was driving east on 13th.

Amundson told police he had stopped his vehicle at the intersection before proceeding through, and he did not see the Cook car until it collided with his own.

The minister said he did not notice his lights were off until after the accident.

Damage to the Amundson car was estimated at \$400.

GOP Hopeful Of Windup

WASHINGTON (AP) — Senate Majority Leader Knowland (R-Calif.) Wednesday said Republican leaders still are trying to wind up Congress on July 31.

Knowland said Majority Leader Halleck (R-Ind.) expects the House "to pass a sine die adjournment resolution for July 31 in a day or two" and send it on to the Senate.

Senate leaders probably would not fix an adjournment deadline until they have cleared up a stack of must legislation.

Knowland has been opening daily Senate sessions two hours early—at 10 a.m. EDT—and holding senators for 12 hours or longer. He said this will continue.

He said the Senate may act this week on a House-passed compromise housing bill and tax revision legislation, if a Senate-House conference completes the compromise in time.

Atomic Plant Pickets Leave

OAK RIDGE, Tenn. (AP) — Pickets have been withdrawn from two big atomic plant projects here and most of the workers have reported on their regular shifts.

Union officials declined to say on what basis the strikers voted to return to work Tuesday, ending the 9-day-old wildcat walk-out which tied up construction. The strikers, members of AFL Laborers Local 818, withdrew their lines Tuesday afternoon and later began returning to their jobs.

The strikers have been demanding a 15-cent hourly wage increase over their hourly scale of \$1.40. A 5-cent boost had been negotiated by local leaders but was rejected by some 2,000 strikers.

The strike was labeled illegal by union leaders who asked that the 6,000 other AFL craftsmen on the jobs ignore the pickets and return to work. But most of the workers refused to cross the picket lines.

Report Raps Cougar Bill

WASHINGTON (AP) — A minority report from the Senate Public Works Committee Tuesday opposing "partnership" construction of Cougar Dam on the South Fork of the McKenzie River in Oregon, was assigned by Sens. Morse of Oregon, Chavez (D-NM) and Gore (D-Tenn.).

The committee majority recently approved the bill which would permit joint construction of the project by Army Engineers and the Eugene Water and Electric Board.

The three senators said they opposed the legislation because it "is a potential precedent for similar and more devastating plans which could destroy orderly and full development of the Colum-

bia River Basin." The committee, they added, "did not consider the disruptive impact of the so-called partnership proposal . . . upon the carefully developed plans for comprehensive, regional water resource development in the Pacific Northwest."

They contended the committee should have held hearings on a bill by Morse and 15 other senators for construction of the Cougar project by the federal government.

U.S. Bomber Crashes

FAIRFORD, England (AP) — A U.S. Air Force Stratofortress bomber crashed near here Tuesday night, killing one of its four crewmen and injuring the other three.

Flu Sweeps Jail

GUATEMALA (AP) — An influenza epidemic swept the central police prison Wednesday, threatening 2,000 Communist suspects packed there like sardines. Police authorities said scores of the prisoners already have the flu.

Don't Neglect Slipping FALSE TEETH

Do false teeth drop, slip or wobble when you talk, eat, laugh or sneeze? Don't be annoyed and embarrassed by such handicaps. PASTEETH, an alkaline (non-acid) powder to sprinkle on your plates, keeps false teeth more firmly set. Gives confident feeling of security and added comfort. No gummy, gooey, nasty taste or feeling. Get PASTEETH today at any drug counter.

RCA Television

Buy your television from experts???

WHO'S AN EXPERT??

It's hard to say what qualifies a man to become a television expert . . . but if working with just one brand and making every effort to learn it inside-out will help, then, we've got a whole service department full of experts. And RCA's quality and performance always help a man look like an expert, anyway.
