Gain 9-8 Win

Jerry Christianson's triple with the bases loaded in the eighth inning gave Bend a 9-8 win over the Eugene Casey's Tuesday night at Bethel Park and brought the local winning streak to a halt after six.

Till Briggs, who had replaced Dick Weaver on the mound in the seventh inning, and Ray Stratton were the victims of the seven-run rally which wiped out a 5-2 Casey lead. Bend used four walks and four hits, including triples by Christianson and Ted Janz to account for the big inning.

The Caseys rallied in the ninth.

but fell one run short when Ed Hunt made a fine running catch on Art Wright's long drive to center field to end the game. With two out, the Caseys had scored three times on Chuch DeAutremont's walk, Stratton's single and a triple by Jack Fassett which was turned into the third run by an error.

Eugene had scored twice in the first inning on DeAutremont's single, a walk to Stratton and a single by Fassett which was followed by an error allowing the second run to tally.

The Caseys lengthened their lead with a single by Tom Bowen and a triple by DeAutremont in the third and a pair of runs on two walks and singles by Weaver and Bowen in the fourth.

Eugene continues its home schedule Thursday night when the strong Drain Black Sox come to Bethel Park. Game time is 8 p.m.

Same Expected On Waterfowl

KLAMATH FALLS — Duck hunters in the western states this year may be subject to about the same regulations as a year ago, according to the Pacific Flyways Council.

Representatives of game commissions of the seven western states wound up their annual meeting here Tuesday night after a long program that covered the intricate phases of migratory waterfowl management.

Recommendations of the council will be subject to approval by the Fish and Wildlife Service in Washington, D. C., which was represented at the meeting and advised the council of the expected migration from inland breeding grounds this year.

The council's recommendations:

- Length of season to be 75 days or more; each state to choose its own dates.
- Bag limits the same as in 1953.
- A special management season on pintail ducks of not more than 15 days.
- If the fish and wildlife service authorizes a split season, the penalty for any state taking such a season should not be more than 5 per cent.
- Hunting hours to be the same as in 1953.
- Consideration by the service of giving states the right to determine possession limits.
- Simplify the goose regulations by setting the daily bag at six for all species, but not more than three of dark varieties.

Reigger Fires Perfect Double

ELKO, Nev. — Arnold Reigger of Seattle, Wash., wrote a page in trapshooting history Tuesday by breaking 100 out of 100 birds in the Class A doubles event in the opening competition of the \$15,000 Nevada Open trapshoot.

In the doubles, two birds are hurled in the air at the same time and the shooter scores by breaking both of them. Veteran shooters said Tuesday marked the sixth time in trapshooting history that a perfect score has been recorded in the event.

Reigger won the Class A championship as more than 200 shooters from all parts of the United States gathered for the tourney.

Fek Parsons, of Klamath Falls, Ore., won the Class B doubles event by breaking 94, and Barney Glavin, Twin Falls, Idaho, won the Class C event by hitting 89.

O. B. Milligan, of Coos Bay, Ore., broke 100 out of 100 in the Class AA, 16-yard event, and was followed by Reigger who broke 99 out of 100.

The Class A division went to Walt Heilman, of Cottage Grove, Ore., with a score of 99, and the Class B was won by W. A. Finney, of Great Falls, Mont., and Joe Macado, of San Diego, Calif., with the scores of 99. Joe Herman of Eaton, Colo., won the Class C event with a 99.

Foster's Beat Electric 10-9

Valley Plywood has won only two Men's Major softball games this season but its second triumph Tuesday night was over Warren Hardware, 1-0, and jerked the Rubes back into a deadlock with the Rubes for league leadership.

The Rubes claimed their eighth victory against two losses in blanking Ed Jensen's, 6-0, in one of three other battles at Washington Park.

Foster Saw all but clinched first place in the women's race by defeating Willamette Electric 10-9, at Oakridge. Warren Women edged Police Association, 13-12, and Eugene Merchants ripped M&K Furniture, 4-3, in other loop action.

Valley Plywood tallied its unearned but winning run in the bottom of the third inning when Warren's Pitcher Ron Willoughby walked Gib Smith, who moved to second on a passed ball, advanced to third on an error, and dashed home on a wild pitch.

Ralph Mohler meanwhile scattered four hits in gaining his shutout over the league-leaders, while Bun Barker had singled in the second inning for the only hit off Willoughby. The losing hurler collected 11 strikeouts and walked none, while Mohler fanned four and walked five.

Ed Jensen's battled the Rubes through four scoreless innings before yielding six runs in the last three frames. Tom Collie contributed two of the Rubes' six hits off Art Wical, while Boyd Morgan had two of the five off Bob Willis. Wical had eight strikeouts and Willis whiffed three.

Linda Lee singled with the bases loaded and ran all the way home before Willamette Electric put the ball in a cage as Foster Saw gained the lead for keeps with seven runs in the top of the sixth inning. She also aided the winners with a home run, while Juanita Conner had three hits and Nancy Thomas added two including a homer.

Pearl Anderson collected three hits for the losers, while Helen Sanders and Gerry Gandy had two apiece including a homer for each. Foster's could win the league race by defeating Warren Hardware in a 6 p.m. Wednesday makeup game at Washington Park.

Warren Women rallied for four runs in the last half of the seventh inning to win a slugfest over Police Association. Pat Brown, Deanna Davis and Donette Lopuson helped the victory with two hits apiece. Nina Edwards led all hitters with three for Police, while Betty Craig, Kay Atkinson, Merriel McCallum and Adele Sherwin added two apiece.

Eugene Merchants managed to edge M&K Furniture with only one hit, by Carolyn Vaaler, against two M&K pitchers. Sharon Phillips scattered five hits among as many M&K batters.

Ducks Cleared For Far East

Oregon's basketball team has received permission from the Pacific Coast Conference to make a tour of the Far East in August and early September, it was announced here Tuesday by Leo Harris, Atlantic director.

Harris said plans for the five weeks trip were still in the tentative stage, pending final settlement of the schedule and financial arrangements. The Webfoots would play about 20 games and would appear in Japan, South Korea, the Philippine Islands and other points against all-star teams of the countries involved.

Conference permission for the trip was necessary, Harris explained, because of the league rules which prohibit off-season basketball competition for member teams. The regular season normally runs from December 1 through the close of the Northern Division season. The games played on the summer tour would not count toward the normal season limit of 26 games, adopted this year by the NCAA.

Harris indicated final plans for the overseas trip would not be settled for another week. "We have favorable indications the trip will be made," he said, "but there are still a number of details to be ironed out. We hope to have a definite answer within the next week."

Oregon had originally obtained permission to make a tour of South America this summer, but plans were changed when Latin-American sponsors asked for cancellation of the plans because of financial troubles.

Valley Plywood tallied its unearned but winning run in the bottom of the third inning when Warren's Pitcher Ron Willoughby walked Gib Smith, who moved to second on a passed ball, advanced to third on an error, and dashed home on a wild pitch.

Hixson, Mundle Qualify

Williams Leads In Western Am

SEATTLE — Maj. Harley Williams of Seattle and the Air Force, a transplanted Texan, reigned Wednesday as medalist of the 1954 Western Amateur Golf Tournament in spite of trees, traps, Dale Morey and grass as thick as the hair on an angora goat.

Williams battled around the Broadmoor layout's 6,328 bitter yards in 72 Tuesday, two over par, for a 36-hole total of 142. Deadlocked with Morey's round as practice. Deadlocked with Givan was Louis Barnes of Redondo Beach, Calif. who had a 73 Tuesday.

Tied with Draper and George Harrington of Medford, Ore., at 145 was another former Walker Cup player, John Dawson of Los Angeles. Robert Prall, the 18-year-old from Salem, Ore., faded to 147 after being tied with Williams in the first round.

Casualties — and there were nearly 90 who failed to make the grade — included a trio of entertainers, Bing Crosby, Phil Harris and Jack Benny. Billing them in order of finish, Crosby had 159, Harris was out in 37 yesterday before folding and Benny called it quits after touring the front side in the neighborhood of 40.

Somebody wrote in a 28 for Benny's final nine on the official score board and he would neither confirm nor deny it.

Portland Qualifies
PORTLAND — J. J. Hagan fired a two-under-par 70 at the Columbia-Edgewater course here Tuesday to qualify for the National Junior Golf tournament at Los Angeles in August.

Hagan was the lone qualifier out of five Oregon players seeking a berth at the nationals.

Two Eugene entrants qualified as Harvey Hixson shot 76-74-150 and Al Mundle carded 75-76-151. Pete Mundle bowed out with 86-83-169.

Four Seattle golfers had to enter a sudden-death playoff for the last spot on the list after they deadlocked at 158 and Paul Johanson, not long out of the University of Washington, won the birth on the first extra hole.

Par held its own for the second day, only three players accomplishing a 70. One of these, Bill Burns of nearby Kirkland, Wash., had the tourney's first eagle, a 3 on the 518-yard 15th hole.

Lt. Joseph Conrad of San Antonio, Texas, got a par to qualify with 152 and lessen the pain of his first-day 82. The third was fired by Eddie Draper of Seattle.

Harry Givan of Seattle, the graying former Walker Cupper, had a 71 to close the medal competition with 144 in a tie for second behind Williams — dis-
