BUCKETS OF PAINT

Now we let an up and coming farmer and his boy out River Road way talk us into taking an OLIVER BALER and a JOHN DEERE TRACTOR in trade on a NEW FERGUSON TRACTOR and a new NEW HOLLAND BALER.

A farmer and his wife down south of Cottage Grove bought the John Deere, but we still have the baler and the boys have poured BUCKETS and BUCKETS of GREEN PAINT all over her, but I doubt if the PAINT will make 'er BALE a BIT BETTER, but I sure am a gettin' tired of look'n at this green dragon, so if you wanta make a deal on a good used baler at only $465 here's your chance.

Now I know from what some of you fellers been a say'n the hay seasons about over but honest this baler will look a lot better in your barn all winter than in ours, and besides that we will give you a guarantee of CERTAIN AMOUNT. We will pay you for this baler, WITHIN A YEAR if you trade 'er in on a new NEW HOLLAND.
