

'Round the State Klamath Court Dispute In Hands of Chief Justice

SALEM (AP)—Chief Justice Earl C. Latourette announced Tuesday he would meet Thursday afternoon with top officials to try to settle Klamath County's courthouse dispute.

Attending the meeting will be the chief justice, Gov. Paul L. Patterson, Atty. Gen. Robert Y. Thornton, and Glenn R. Jack, Oregon City, Oregon State Bar president.

Route Delays On 6 Roads

SALEM (AP)—The Oregon Highway Commission warned Tuesday of construction delays on six state highways.

They are:

- Central Oregon Highway, between Vale and Cairo.
- John Day Highway, from 6 to 10 miles east of Austin Spur.
- Columbia River Highway, from Big Eddy to Deschutes River.

The Dalles-California Highway, for 12 miles north of Lapine, and from Sherman Junction to Willowdale.

Pacific Highway, for 5 miles north of Medford, and at six points between Yoncalla and Myrtle Creek.

Coast Highway, between 3 and 8 miles north of Gardiner, and between 2 and 14 miles south of Port Orford.

State Accepted

SALEM (AP)—The Interstate Oil Compact Commission announced Tuesday it had accepted Oregon as a member. The commission informed Gov. Paul Patterson that the state's application had been approved unanimously by the 26 present members.

Judge Latourette made his announcement after a brief meeting with Gov. Patterson.

The dispute is between Circuit Judge David R. Vandenberg and Dist. Atty. Frank C. Alderson, both of Klamath County.

The governor returned Tuesday from Bolton Landing, N. Y., where he attended the National Governors Conference. Latourette met with him because the governor has jurisdiction over district attorneys.

The chief justice said there would be no public statement until after Thursday's meeting.

Pioneer Man 102; Came to State in 1862

GRANTS PASS (AP)—Benjamin Raley of Grants Pass, who came to Oregon with his family in a prairie schooner in 1862, observed his 102nd birthday here Tuesday.

Raley was born in Taylor County, Mo., in 1852. His family arrived at The Dalles in October, 1862 with the Kennedy emigrant train.

Political Press Data Can't Be Anonymous

SALEM (AP)—Press releases prepared by or for political candidates can't be anonymous, Atty. Gen. Robert Y. Thornton ruled Tuesday.

The name and address of the author and of the printer and publisher of each such press release must be written on the release.

The opinion was asked by State Sen. Richard L. Neuberger, Portland Democrat, who is running for United States senator.

Waters Burst Dam

GYOER, Hungary (AP)—Danube River floodwaters burst a vital dam near this industrial city of 70,000, forcing the evacuation of 5,000 inhabitants. Another 25,000 fled their homes in 24 nearby villages. Hungarian and Russian troops are aiding volunteers in the fight to stem the flood and protect districts where some of the most important factories in this country are located.
