Urges Approval

WASHINGTON (AP) — Secretary of State John Foster Dulles appealed to France to support the European army plan "partnership" in the Western Europe.

A news conference Tuesday morning in Paris, which the recent six-nation meeting had decided to go along with the treaty who have signed the German rearmament treaty.

He was aware that the treaty had become controversial in France and he did not want to minimize the difficulties in the way of the French par-

ty.

Two Democratic senators Tuesday over the Defense Community and said the United States soon have to move toward rearming West-

field (D-Mont) labeled the treaty as a "sell-out" to the Soviet Union. "If the solution is found, he said, the German Federal Republic would be given sovereignty as soon as practicable."

Wall (D-Ga) said possession of Germany to Communism would be a "sell-out" while Sen. Walter (D-Ill) said an EDC would mean the United States "by all means" to rearm the former en-

emy.

Hearing Sought By Mrs. Moss

Wants to Confront Her Accusers

WASHINGTON (AP) — Mrs. Annie Lee Moss, again denying Communist ties, has asked the Army to produce her accusers at a security screening board hearing.

"I am not a Communist, have never been a Communist and have no communist leanings or sympathies," the Negro woman said in a notarized reply Monday to the latest charges against her.

The Army suspended Mrs. Moss for a second time Aug. 4 from a job with the Army Signal Corps. It said it acted "on the basis of information which was not previously available."

SUSPENDED TWICE

Mrs. Moss was temporarily suspended last spring from her \$3,335-a-year position after Sen. McCarthy (R-Wis) brought up her name at an investigation of alleged Communists in the Army. She denied before McCarthy's Senate Investigations subcommittee that she was the Annie Lee Moss an FBI undercover worker had testified was known as a Communist. The undercover worker failed to identify Mrs. Moss by sight.

After reinstating her, the Army suspended her again on charges she was issued a Communist party membership book in 1943 and on other counts similar to those she previously denied.

NO TIME OR PLACE

In denying the Communist book charge, Mrs. Moss said in papers filed by her attorney:

"No time or place is given with regard to this alleged transaction, nor is there any suggestion as to the person with whom the transaction was made. . . . It is my earnest desire . . . that the author or authors of this information be produced in order that the error may be demonstrated and that I be given an opportunity to vindicate myself."
