Senators Rap
FPC Action

Hells Canyon Affair
Called 'High-Handed'

WASHINGTON (AP)—A recent
Federal Power Commission ac-
tion in the controversial Hells
Canyon case was termed "high
handed" Tuesday by Sens. Morse
(Ind-Ore) and Neuberger (D-
Ore).

The senators in a joint state-
ment declared the commission
"is permitting the Idaho Power
Co. to 'shift the scenery and
change the script' in the dispute
over the private company's appli-
cation to build three Snake River
dams near a site previously se-
lected for a single federal dam."

The statement referred to the
commission's decision to de-
clare action on a motion of public
power groups to dismiss the ap-
plication on grounds plans for
the three dams were changed
during and after last year's hear-
ing on the case.

The commission recently an-
nounced it would not act on the
motion until after an FPC exam-
iner has ruled whether the com-
pany should be authorized to go
ahead with the dams.

Morse and Neuberger charged
the company and the commission
staff had been permitted to "juggle
and rewrite the company plan
for three small dams..."

"This is high-handed action
which places an intolerable bur-
den upon the intervenors advo-
cating the high dam. We ques-
tion whether this recent action
of the commission meets the
elastic definition of due process
of law..."

Churchmen
Back Famous
Radio Minister

NEW YORK (AP)—A movement
was developing Wednesday to
name Dr. John Sutherland Bon-
nelli, widely known radio minis-
ter, as the head of the Presbyter-
ian Church in the U.S.A.

Many leading ministers across
the country joined in backing the
62-year-old clergyman for the of-
fice.

Members of the big presbyteries
(districts) of New York and Los
Angeles met early this week and
named Dr. Bonnell as their choice
as the next moderator of the 24-
million-member denomination.

The election will not be held un-
til the church's General Assembly
meets this spring, but Dr. Mil-
lard G. Roberts, a New York
pastor and spokesman for the
presbytery, said:

"In view of the broad sentiment
already expressed, it would ap-
pear Dr. Bonnell will have the
nationwide support of the denomi-
nation."

Dr. Bonnell, whose weekly ser-
mon, "Pilgrimage," over the Am-
erican Broadcasting Co. network
is heard by millions, is pastor of
New York's historic Fifth Avenue
Presbyterian Church.

Free Counsel
Established

WASHINGTON (AP)—The Amer-
ican Bar Assn. announced Wed-
nesday the establishment of a
special committee to give free
legal assistance to government
workers involved in security
cases.

Some federal workers, al-
though finally cleared, have com-
plained of heavy legal expenses
incurred in defending them-
selves. The government reim-
burses them for any pay lost dur-
ing periods of suspension, but it
does not pay their attorneys' fees.

ABA President Loyd Wright
said the special committee was
set up in Washington because it
has the heaviest concentration of
federal workers.

But he said similar aid would
be provided through legal aid
clinics and lawyer referral ser-
vices in the principal cities of the
nation. He said the "problem is
broad enough to include ques-
tions of industrial security mat-
ters" involving employees of pri-
vate firms holding government
contracts.

Neuberger Joins
In Introducing Bill

WASHINGTON (AP)—Sen. Rich-
ard Neuberger, freshman Oregon
Democrat, Tuesday joined Sen.
Lister Hill, Alabama Democrat,
in the introduction of a bill to
extend educational benefits for
servicemen.

The bill would extend beyond
Jan. 31 the accrual of up to 36
months of educational benefits
by men already in the service.
It would not affect the presiden-
tial order halting benefits for men
entering the services after Jan.
31.
