Farm Equip. & Suppl. 715
Scrawny
Now I'm not exactly a bragging about it, but here the other day UNCLE HARRY FERGUSON and some of his boys told us if WALKER EQUIPMENT CO. sold more FERGUSON TRACTORS than anybody else in the U. S. over a four month period, they would pay for a vacation. Now, we didn't sell more FERGUSON TO 30 TRACTORS than any other dealer in the U. S., but we did (thanks to all our Oregon farmin' friends) sell just two less than the guy that did, placing us second, so UNCLE HARRY felt kind sorry for us and sent us to California to the ROSE BOWL GAME and PASADENA PARADE. Now those Californians thought they sure had a parade. The big city of Pasadena had a big float covered with dirt with a couple of SCRAWNY peach trees on it, a paradin' it up the avenue. Seems like they wanted to show us Oregonians that they could grow at least two trees. Confidentially, the only float in the parade worth takin' two looks at, was the one Roy Rogers and Dale Evans was a-ridin' on, and the beautiful Portland float. Now about the only thing they did that made sense was the biggest and longest float was a-bein' towed by a FERGUSON.) When I saw that LITTLE GRAY BUNDLE of DINAMITE underneath all those PAPER FLOWERS I felt a little better, but I am gonna feel a lot worse in a minute if some of you folks don't come on over and take a look at some of the USED TRACTORS, USED BALERS and USED COMBINES we got ready for you to look over.
FORD TRACTOR 8N MODEL—Now this tractor was traded in by a farmer down on the Siuslaw on a NEW FERGUSON. It is completely overhauled, repainted, and will deliver it to your farm with a NEW TRACTOR GUARANTEE.
FORD TRACTOR 8N MODEL—This tractor was traded in the last week of 1954 on a NEW FERGUSON TO 30 and DAVIS LOADER. It absolutely has not done a day's work since we overhauled it, repainted it, and will deliver it to your farm with a NEW TRACTOR GUARANTEE.
FARMALL H TRACTOR with good rubber, self-starter, and 24 hp. low, attached mower to go along. This tractor was traded January 10th, 1955 on a used 8N FORD and NEW FERGUSON 2-14 PLOW, FERGUSON DISC and ARMOR BLADE by a very successful farmer out Junction City, Wash. He decided to locate permanently on the farm he has lived on 47 years.
FERGUSON TO 20 TRACTOR. Now this 20 was traded in by a very successful corn grower, over on the Clatsop, on a NEW FERGUSON TO 20. Now my farmer friend did admit a drivin' it in the rain a couple of times about two years ago. But it's really in tip-top condition. If you want used tractor with the one and only FERGUSON SYSTEM, and that famous CONTINENTAL VALVE-IN-HEAD MOTOR, here it is! Delivered to your farm with a NEW TRACTOR GUARANTEE.
USED FORD FERGUSON TRACTOR. Now this tractor was traded on a used FERGUSON 20 by a farmer dairyman over Springfield, Wash. We have completely overhauled it, repainted it, and will deliver it to your farm with a NEW TRACTOR GUARANTEE.
USED MCCORMACK DEERING INTERNATIONAL hay baler, late model, low price.
USED ALLIS CHALMERS COMBINE at an out-of-season price you can afford to pay.
USED CASE BALER MODEL NCM. A friend of ours over on Lewis Hollow road bought the CASE BALER we advertised last week, but this week Bert E. who has farmed on both sides of the Three Sisters traded in his CASE MODEL NCM on a NEW NEW HOLLAND 80 BALER, so if you want buy a CASE NCM BALER at an out-of-season price, here it is.
