SPORT SHIRTS

You've seen these shirts selling every day for 8.95 . . . this is probably the last time you'll see them at 2.99! Luxurious, smooth blend (60% wool — 40% rayon) every one's a star performer when it comes to laundering. They're minus their original wrappings and labels, newly packaged . . . but that's the only change from the shirts you see at 8.95. You're getting the meticulous tailoring you'd expect from the country's biggest names in shirt-making; beautifully matched designs; harmonizing buttons; satin-lined yokes that mean more comfort, better shape. We've small, medium, black plaids; checks; in greens, reds, blues, browns, greys. XS, S, M, L, sizes. Buy them for your husband, son or boy friend. Come early!
