AFTER 5 YEARS

Brink's Robbery Is Still Unsolved

BOSTON (AP)—Among Greater Boston's two million residents, only five men (or was it maybe seven or eight?) knew something nightmarish was going to happen on the night of Jan. 17, just five years ago.

Shadows were heavy around the bare concrete garage-and-office building in Boston's North End from which, daily, the Brink's, Inc. armored money-express trucks went on their missions between banks and businesses.

People familiar with the area

PILOT — Jack Larsen of Eugene is president of the Lane County chapter of the Sportsmen Pilots of Oregon. The chapter was formed last week. Purpose is to promote aviation safety and public understanding of flying.

Cartoonist To Speak At Banquet

The annual banquet of the Christian Business Men's Committee of Eugene scheduled Jan. 25 at the Lane County fairgrounds, is expected to be one of the largest dinner-meetings ever held in the county.

Some 1,200 persons are expected for the banquet, according to John H. Jauch, vice president of the CMBC.

Featured speaker will be Vaughn Shoemaker, Pulitzer prize-winning syndicated cartoonist. The author of six books on cartoons, Shoemaker was chief cartoonist for the Chicago Daily News for 28 years.

His cartoons have been syndicated in 90 newspapers, with a combined daily circulation of 10,000,000.

Publisher's Son To Serve as Page

SALEM (AP)—Mike Forrester, 16-year-old son of publisher J. W. Forrester Jr., of the Pendleton East Oregonian, will become a page in the U. S. Senate.

Mrs. Richard L. Neuberger, Portland, a state representative and wife of U. S. Sen. Neuberger, said her husband has appointed Mike.

'Carnival of Features' Set for Dimes Dance

The annual March of Dimes dance, sponsored by veterans groups, will be Saturday, Jan. 29, in the Veterans Memorial Building.

The program, described as "A Carnival of Features," will begin at 9 p.m. with songs by the "Rhythmites," winners of a Horace Heidt contest. This group is sponsored by Clingman's Supper Club.

At 10 p.m. a group from Pilus will perform, and at 11, entertainers from the Greenwood Cafe will be featured.

Local talent will be scheduled between the professional groups. Veterans and guests are invited. Admission is 50 cent a person and all proceeds will go to the March of Dimes.

Kiwanis to Publish 'Joker' in Spring

The Springfield Kiwanis Club voted Thursday to again publish their annual "Kiwanis Joker" this coming April. Perce Pullen and Al Anderson were named as co-chairmen of the project.

Kiwanis committee heads for the coming year will include Earnest Worden, attendance, membership and Kiwanis education and inter-club; Earl Baumer, and music; Everett Hill, reception and inter-club; Earl Baumer, boys, girls and underprivileged children; Ralph Nicholas, public relations and public business affairs; and Al Hansen, churches.

Members viewed a motion picture, "Power for Progress," which told the story of Pacific Power & Light Co.'s construction of the Yale Dam on the Lewis River in Washington.

Group Bans Solo Hearings

WASHINGTON (AP)—The Senate Judiciary Committee has barred one-man hearings for the taking of sworn testimony by its investigating units, except on a two-thirds vote of the members.

This action, taken at a closed-door meeting Thursday and not announced, came to light Friday through interviews with several members of the committee.

A resolution to require that at least two members of investigating subcommittees be present when testimony is received under oath was offered by Sen. Eastland (D-Miss.).

Eastland said that on motion of Sen. Jenner (R-Ind.), his resolution was amended to permit one-man hearings when subcommittee members decide by a two-thirds vote that requiring two senators to be present would be impractical.

Corvallis Man Dies at 101

CORVALLIS (AP)—Arthur Marks, 101, died in a hospital here Wednesday night after an illness of only one day.

Marks was born in Canada and came to Oregon about 1875, homesteading near Yachats.

He returned to Canada to take charge of the lighthouse at Nootka, B.C., between 1910 and 1920. After that he moved to Corvallis.

He had been living here with a daughter, Mrs. Annes Hope. Two sons also survive.

MR. and MRS. WALT ROBERTS and daughter of 261 S. 51st Place, Springfield, are shown taking delivery of their new 1955 Star Chief Four Door Sedan. Mr. Roberts is employed by the Weyerhaeuser Timber Company, Springfield. This is Mr. and Mrs. Roberts third Pontiac since 1948. The Roberts say the Pontiac engineers have thought of everything to increase the convenience, comfort and pleasure of driving this "new from the ground up" 1955 Pontiac. Take for instance the new improved Dual-Range Hydro-matic drive. The silken smoothness of the way it takes your Pontiac from standing start to legal speed is an all-new experience. In cruising range below 28 miles per hour, a quick touch on the accelerator, downshifts the transmission from fourth to third—offering a burst of engine power for quick pickup, passing, performance plus in-city going. You simply must drive this new Pontiac to know all the relaxed pleasure—and performance thrills of driving the "Dual Range" way. Call Parmenter Pontiac Company, 837 Pearl Street, Phone 5-3395 for a demonstration ride.
