

Demo Governors Get Invitation

WASHINGTON — The 27 Democratic governors have been invited to meet here May 4-5 in line with National Chairman Paul M. Butler's vow to give the state executives "more importance in the party structure."

WHY SUFFER ANY LONGER

When others fail use our Chinese remedies. Amazing success for 4000 years in China. No matter what ailments you are afflicted with—diabetes, heart, lungs, liver, kidneys, gas, constipation, ulcers, diabetes, rheumatism, gall and bladder fever, spine, female complaints.

PRISON COMMENT

STILLWATER, Minn. — An account of the chaplain's sermon at recent Sunday services, reported in the Prison Mirror, publication of the state penitentiary here, noted in part: "Let us not be ashamed of our faith, nor fear our enemies who laugh at us, but fear worldly judges, as they are fickle and unjust."

Are you a "Do-It-Yourself" Driver?

Or would you rather be waited on hand and foot?

Rather shift for yourself . . . or let Powerglide do it?

Shifting's smooth and easy with Chevrolet's new and finer Synchron-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission* in Chevrolet's field!

Rather roll your own . . . or just push a button?

Chevrolet gives you separate crank controls both for windows and ventpanes. It's one of many extra conveniences in Chevrolet's Body by Fisher.

Your fingertip adjusts all four windows with automatic window and seat controls.* Available on all Bel Air and "Two-Ten" models.

Position the seat yourself . . . or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

Apply the brakes like this . . . or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

Chevrolet Power Brakes* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing type brake pedal.

Want standard steering . . . or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering* carries a reduced price!

Keep yourself comfortable . . . or have Air Conditioning?

Chevrolet's wonderful new High-Level ventilation system is another important comfort advantage you won't find on other low-priced cars.

It's goodbye heat wave in your Chevrolet V8 with air conditioning.* This new under-the-hood system by Frigidaire takes up no trunk space.

Automatically—

Chevrolet's stealing the thunder from the high-priced cars!

What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

—perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in every way!

*Optional at extra cost.
