

**Defense Opens Case At The Dalles Trial**

THE DALLES (AP)—The defense took over Thursday in the manslaughter case in which Joseph Ferguson, Mosier rancher, is accused of shooting his brother-in-law, Charles Eaton, 25, Portland, in the woods last December.

The two were on a deer-hunting trip in closed season when Eaton was killed.

The state closed its case Wednesday after presenting 16 witnesses in an attempt to prove Eaton died through Ferguson's negligence. The defense is expected to plead the shooting was accidental, not negligent.

**Rain Dumped On East, West**

By ASSOCIATED PRESS  
Thunderstorms continued in parts of the mid-continent and rain fell in sections of the East and Far West but other parts of the country had fair weather Thursday.

The dust storms that swept across Southwest areas appeared to have ended as winds diminished.

A narrow belt of heavy thunderstorms extended from extreme Southern Indiana southwestward across Western Tennessee and to Eastern Oklahoma. More than two inches of rain fell in Memphis and more than one inch in parts of Arkansas and Kentucky. Hall and heavy rain hit Little Rock, Ark.

More rain fell in coastal sections of Northern California and Oregon with scattered light showers extending inland to Idaho and extreme Western Montana.
