Frosted Apple Sauce Cake Planned for Girl Scouts

Have you a Girl Scout in the family? Then here's a cake designed for her. For among the nearly two million Girl Scouts today are many who are learning the art of cooking and baking.

This Frosted Spicy Apple Sauce Cake is one any girl can whip together as a special treat for her family or as party fare for her friends.

It's easy to make. And so good. Under the brown-sugar frosting, it's fruited with plump raisins and dates and thick with nuts. There's molasses for dark richness, cinnamon, cloves and nutmeg for spiciness, and apple sauce for the sweet tang of apple. The apple sauce is a big reason for the ease of making, too . . . for you just open a can or jar of your favorite variety. Also, the canned apple sauce gives moistness and helps keep the cake fresh.

After the batter is poured into the baking tins, run fingertip over mixing bowl or spoon for "a lick." Mmn, tasty . . . a promise of the deliciousness to come!

Frosted Spicy Apple Sauce Cake

¾ cup shortening
⅔ cup sugar
3 eggs
½ cup dark molasses
3 cups sifted all-purpose flour
1 teaspoon baking soda
½ teaspoon baking powder
1 teaspoon cinnamon
½ teaspoon nutmeg
½ teaspoon cloves
¾ teaspoon salt
1 cup canned apple sauce
1 cup seedless raisins
1 cup chopped dates
1 cup chopped walnuts
*Brown Sugar Frosting

Cream together shortening and sugar. Add eggs, 1 at a time, beating after each. Add molasses. Dredge raisins, dates and walnuts in ½ cup flour. Sift together remaining flour, baking soda, baking powder, cinnamon, nutmeg, cloves and salt; add alternately with apple sauce to creamed mixture. Add raisins, dates and nut meats. Pour into 10-in. greased spring form pan. Bake in moderate over, 350°F., 1¼ hours. Cool 10-15 minutes; remove from pan, cool on wire rack. Frost top and sides of cake with Brown Sugar Frosting. Yields 20 servings.

***Brown Sugar Frosting**

½ cup butter
1 cup brown sugar, firmly packed
¼ cup milk
1¾ cups sifted confectioners' sugar
½ teaspoon vanilla extract

Melt butter in saucepan. Stir in brown sugar. Boil, stirring constantly, over low heat 2 minutes. Stir in milk; bring to boil, stirring constantly, cool to lukewarm. Gradually add confectioners' sugar. Beat until thick. Add vanilla extract. Let stand several minutes until icing is good consistency for spreading.

Vary those hamburgers you are planning to serve your family by simmering them in ready-prepared tomato sauce. Be sure to brown the hamburgers on both sides before adding the sauce. At serving time, sprinkle meat and sauce with minced parsley for fresh flavor.
