NOTICE

how often we can offer really just slightly used cars—at nice savings—and good selection, for example!

1954 Chevrolet Deluxe, delightful tutone green with a cream top, and only driven 11,000 miles by the former owner (who is a local businessman). Says he always wanted a DeSoto but got sidetracked last year, well, he has a new 55 now and he is really pleased. This car will please you too, has the automatic drive, and a very nice accessory group, priced where most demonstrators usually are, but hardly anymore mileage than one, at just \$1,895

Perhaps if you desire the brown and tan tutone combination or the standard shift, we can also please you with another low mileage (just 12,000) car that will automatically save you \$100.00 at
