Since 7:27 A.M., April 27th, 1955, the WALKER EQUIPMENT CO., BOYS of 1830 West 7th, Eugene, Lane County, Oregon; have delivered "27" beautiful labor-saving new NEW HOLLAND BALERS to "27" OREGON FARMERS. Now folks honest, we're not just a-braggin', we're just kinda proud of the fact that we are a-deliverin' and a-servicin' the HAY BALER that so many of our Oregon farmin' friends enjoy balin' their hay with. We feel kinda humble about it all, when we think of all the confidence you folks have placed in us, and we all sure enjoy what we are a-doin', a-makin' our BREAD 'N BUTTER a-servin' the OREGON FARMER. Now we did take a few used balers in trade. So if you are a-lookin' for a used baler, why do you keep a-puttin' it off? Why doncha c'mon over and lets start a-dickerin' a little?

USED CASE NCM MODEL BALER. Automatic pickup Poke and Tie. Now we have delivered five of these used Case balers this spring. This one was traded in by Mr. M. over on Bailey Hill Rd., and it's a dandy!

FRIDAY: C. C. Bee from over near Alvadore way, just now walked in and said to send out a NEW FERGUSON F.E.O. MOWER, so the boys are out there a-loadin' it now. We will have his old FERGUSON A.E.O. MOWER in here ready to go Monday.

FRIDAY: W. C. (Bill) Schillings, down in Delight Valley was a-phonin' me this morning to send out his new NEW HOLLAND BALER. Said he sure liked his NEW FERGUSON 35, and his new FERGUSON SIDE DELIVERY RAKE, and his new FERGUSON F.E.O. MOWER. Seems like he's havin' fun a-hayin' the easy way!

USED NEW HOLLAND 76 BALER. Automatic pickup and automatic tie. The way my pencil works, it looks like somebody can SAVE about $1965.61 over what the original owner paid for this labor-saving hay baler.

USED ALLIS CHALMERS ROTO-BALER, completely reconditioned with motor. Now some of you fellas that like a round baler, better c'mon over, 'cuz we are prepared to make you a real deal on this one. This is probably the best buy offered. If you don't have the down payment, why don't you go see Cousin Ray down at the F. N. Bee. Because this IS such a good buy, I think he would be glad to loan you the down payment. He might even operate it while you are a-restin'!

USED FARMALL A TRACTOR with mower, blade and plow. Now some of you fellas who have just been a-waitin' to borrow your neighbors tractor and mower, c'mon over, 'cuz we're sure in the mood to talk turkey.

FRIDAY P.M.: Bert Oldham just came in the plant and said "he sure liked his new FERGUSON 35 TRACTOR, and was sure happy to hear so many Oregon farmers was a-buyin' new, NEW HOLLAND BALERS."

USED FARMALL H TRACTOR with Lift plow and International mower. This is a dandy deal for some of you "one-foot" farmers, but you'll have to get your "foot off" the foot stool, and c'mon over if you're gonna steal this tractor from the "web-foot" farm boy.

USED ALLIS CHALMERS TRACTOR model C with cultivator, plow and mower. Now this tractor really is in good condition, and it's all painted up and ready to go! (Of course we have to admit the paint doesn't make it run any better.)

FERGUSON TO 20 TRACTOR completely overhauled, repainted and guaranteed, with the one-and-only FERGUSON SYSTEM and that famous CONTINENTAL VALVE-IN-HEAD MOTOR.

FRIDAY: (while a-writin' this little story) John Stalder just phoned and said, "to send his new NEW HOLLAND BALER down right quick, now, and he wanted at least ten bundles of baler twine." That reminds me, have you bought your twine yet? Our price is sure as shoutin' RIGHT!

Used Blizzard hay chopper.

Used John Deere blower and pipe.

Used International self-propelled combine.

Used Heston straw chopper.

Used Case mower.

Used International mower (3 to choose from)

FRIDAY: Ralph Ferguson, down Drain Way, was a-phonin' me early this morning to order a new NEW HOLLAND BALER. He said, "send her over on Hard Scrabble Creek and hurry 'cuz my friends are a-waitin'," and he said, "send along about ten bundles of twine, 'cuz I'm not goin' to have time to come to town, and fool around about twine." Thanks, Ralph.

John Sumich from Triangle Lake was here a while back to order a new MAYRATH HAY LOADER. John says, "his NEW FERGUSON 35 is performin' beyond his expectations."

Remember it's ⅓ down and up to 3 years on the balance, when you trade with the "WEB FOOT FARM BOY" from LOOKING GLASS CREEK. Maybe a few cows, a few sheep, or your old Farm Equipment will make the down payment. We like to trade, and we will deliver free anywhere in Western Oregon.
