

Herb Elliott Clocks Mile In Four Minutes Flat

MELBOURNE (AP)—Herb Elliott, perhaps the only miler in the world who can take it easy and do 4 minutes flat, did just that Saturday under a blazing sun for the Victorian championship.

The lean, superbly conditioned Aussie didn't take the lead until the front stretch of the third lap, then finished with a 55-second fourth quarter that put him 50 yards ahead of the field at the tape.

Merv Lincoln, an old rival who has been ailing lately, finished even farther back. John Murray was second in 4:07.2.

Elliott, the world record holder at 3:54.5, was hardly puffing afterward. "It is a bit too hot to run really fast," he explained.

"I just wanted to win, and as in all championships, everyone wanted to win and no one was willing to go out and make a fast pace."

"It's always the same. That's why runners who have a fast finish, like Ron Delany, win Olympic titles."

Elliott, who two weeks ago put away his 12th sub-4 minute clocking, added "now I can settle down to really hard work to get ready for the Australian championships March 5."

That mile, at Perth, is another check point in his training schedule for the summer Olympics at Rome. He hopes to run at the Compton, Calif., Relays in June before going to Sweden prior to the Olympics. Elliott said it is unlikely, however, that he will accept an invitation to the Coliseum Relays in Los Angeles May 21.

Lincoln, who has been troubled by an upset stomach and laid off training the past three days, was bitterly disappointed. "This is the first time I've been beaten at a mile by anyone other than Elliott since 1955," he said. "It's not easy to take."

Duck Matmen Whip Huskies

Oregon's wrestling Ducks thumped the Washington Huskies Saturday afternoon, 23-3, for their fourth victory in just one week.

Coach Mike Reuter's team won seven matches—one by a fall—and lost just one decision en route to the triumph. Last Saturday they beat California and San Jose State and Thursday night they edged Cal Poly in Grants Pass.

A Dad's Weekend turnout of over 500 in McArthur Court watched 177-pound Jerry Fenton gain the afternoon's only fall, a 7-2 victory over the Husky's Jack Walters.

In a preliminary, the strong Multnomah Athletic Club wrestlers defeated the Oregon Frosh 20-2 in a five-event match.

Varsity 123—Dennis Wisby (O) d George Shihata, 15-0; 130—Joe McFarland (O) d Don La Croix, 3-2; 137—Jerry Mayberry (W) d Lynn Mathews, 8-0; 147—Gary Wilson (O) d Gary Iverson, 3-2; 157—Don Holmes (O) d John Denny, 3-2; 167—Tom Bryant (O) d Fred Sievers, 10-7; 177—Jerry Fenton (O) p Jack Walters, 7-2; Heavyweight—Garry Stensland (O) d Jim Shaggs, 6-1; Final: Oregon 23, Washington 3.

Frosh: 123—Sandor Szabo (New) p Jim Minton, 3-15; 137—Dave McLaughlin (MAC), won by default; 167—Mike Streeter (F) and Joe Casale, draw, 0-0; 177—Russ Thurman (MAC) p Clarence Decker, 2-20; Heavyweight—Lon Alin (MAC) d Steve Barnett, 3-1; Final: MAC 20, Oregon Frosh 2.

ges City College and may not be eligible for NCAA competition. If he is cleared he most certainly will be at Berkeley. If not he most certainly will be running at Bakersfield, along with a number of other ex-Webfoots.

Bill Dellinger will be at Bakersfield in the 5,000 meters. . . . Jim Grelle will be there in one or more events—the 800 or 1,500 meters or the steeplechase. . . . Pete Mundle is a likely entry in one or two events—the 5,000, 10,000 or steeplechase. There may be others at Bakersfield, too, like Ted Abrams in the 800 or 1,500 meters if he develops rapidly this spring. . . .

As for Grelle in the steeplechase, he started working last Monday on the event—on the hurdles and the water jumps. The steeplechase is 1 mile, 1,520 yards, 2 feet, 8 inches. Although Jim has confined most of his running to distances no longer than the mile, he has run a credible 3 1/2-mile cross-country. . . . Presently his toughest competitor would be Phil Coleman with a 8:40.8. The Olympic standard is 8:55 (a mark that must be matched or bettered to make the U.S. team if the competitor finishes second or third). . . .

There might even be a couple of Oregon hammer throwers at Berkeley—Stubblefield and Dave Edstrom, who will, of course, be here in the decathlon against Rafer Johnson. . . . The two Webfoots have been "playing around" with the hammer—unimpressively. . . . Last year the NCAA winner was John Lawlor of Boston University at 207.5 and a toss of better than 180 feet was needed for third place. . . . The world record is 225.4 by Harold Connolly. . . .

Hammer throwers come mostly from the East coast, although San Jose has had an entry for four years and last season had two who were good enough to place in the NCAA.

★ Oregon track has certainly come in for nation-wide notice during the winter season—featuring mostly Bill Bowerman, Jim Grelle and Dyrrol Burleson in Sports Illustrated three of the past four issues. . . . The current issue is mostly Bowerman. . . .

Jesse Abramson, track writer for the New York Herald Tribune, wrote in last Monday's edition, "The Oregonian milers, all coached by Bill Bowerman, had an upsetting weekend after all of the attention they received last week."

"Burleson's shocking defeat can be attributed to two items: (1) the bizarre and uneven pace (65.7, 58.4, 61.9, 59.4) which the 19-year-old Oregon sophomore followed more closely than Beatty (Jim) and left him vulnerable to the final charge by his more mature foe, and (2) the light Burleson racing program set up by Bowerman limiting his fine prospects to only two indoor races" (Grelle has had three, Burleson and Larson two, the others one).

"I'm not criticizing Bowerman's methods," said Olympic coach George Eastment of Manhattan, "but the Western coaches have the wrong conception of indoor running. In the East we have such a short outdoor season, starting in mid-April, that we would have no track at all if we had no indoor season. No one ever missed the Olympic team because of indoor running. A horse in the stable does nothing but eat oats," epigrammed Eastment.

Abrahamson continued, "There has never been a mile race here quite like the Baxter mile. No one in the Garden ever ran 2:59.7 for the final three quarters. . . . Beatty, under Iglol Mihaly, the Santa Clara Youth Center coach, has run two races this winter after an 18-months layoff while in the Army. Beatty beat Max Truex in an 8:57 two-mile last month in Los Angeles. . . . On the national level, Beatty has never won anything, but he was NCAA two-mile runnerup to Ken Reiser of Oregon in 1955 and NCAA 5,000-meter runnerup to Oregon's Bill Dellinger in 1956."

★ The 10-meet Hayward Field schedule: April 2—Northern Division Relays; April 9—Oregon vs. Fresno State; April 15-16—Hayward Relays (high school); April 23—Oregon vs. Stanford; April 30—Oregon vs. WSU; May 7—Oregon vs. OSC; May 21—Northern Division championships; May 30—Oregon AAU; July 8-9—National Decathlon; July 22-23 (tentative)—Olympic team training meet. . . .

Report from Bob Officer's "Misery Hall" (McArthur Court training room): Cook's slightly pulled leg muscle is recovering rapidly; Dellinger's fallen arch is not bothering him; Grelle's sore calf is something he picked up several weeks ago, but gave him no trouble in Los Angeles last Saturday, and is okay presently.

District Wrestling Tournaments Slated

The high school wrestling tournaments—two districts and a sub-district—next weekend will play a big hand in determining what wrestlers from the Emerald Empire will go to Corvallis March 11-12 for the state championships.
