

Jerome Runs 100 in 9.3 as Oregon Takes Far West Crown

By DICK STRITE
Register-Guard Sports Editor

BELL FIELD, Corvallis (Special)—Sprinter Harry Jerome, with a world record-tying performance in the 100, and Dyrol Burleson, with the best half-mile mark in the nation this season, paced Oregon's Webfoots to an eighth-consecutive triumph in the Far West (Northern Division) Relays.

A crowd of 1,885 spectators, discouraged by morning-long rains, watched coach Bill Bowerman's Webfoots amass a total of 73 points here Saturday afternoon on a water-soaked track.

Coach Sam Bell's OSU Beavers, with only a prayer of scoring an upset, collected 49 points, followed by Washington with 21,

Washington State with 20½, and Idaho with 1½. Seven meet and six field records went by the boards along with Jerome's world record 9.3 in the century, a mark held by many, including Roscoe Cook who finished second to Jerome in both the 100 and 220.

Burleson was also a double winner for the Ducks and his 1:48.7 in the 880 was the best in the nation and even Sig Ohlemann, the defending champion in the 440, ran the distance in 1:49.9, tied with Jim Parks of SMU as the previous best in NCAA rankings.

Burly won the mile in 4:05.6, good enough for a meet mark. He also ran a tremendous second lap in the mile relay, a quarter estimated at 46.6, as he came from behind to give Jim Puckett a 10-yard lead he and Ohlemann retained while setting a meet record.

That was three record performances for Burleson and 11½ points to top Oregon State's great jumper and runner, Darrell Horn, who had nine points in three events. Burleson, Horn and high-jumper Henry Wyborny of Washington State were the only athletes who retained their Far West titles. Six others lost their championships.

Amos Marsh of Oregon State, who won the 100 and 220 last year, finished fourth in the 100 and was an also-ran in the 220. Bob Johnson of Oregon State

won the 440, but Ohlemann did not make a title bid in the quarter. Norm Hoffman of OSU was the defending champion in the half-mile.

Phil Paquin, out of action for weeks, and Darl McAllister, both of Oregon, lost their co-title in the pole vault to sophomore Ron Cramer of Washington who went 15-1 and on his 15-foot clearance made it by six inches. McAllister did not compete and Paquin made 14-4 for a third-place tie.

John Douglas of Washington did not defend his title in the javelin, won by OSU's Steve Pauly at 228-11.

Don Martin of OSU failed to win the discus title for the second straight year as Oregon's

Jerry Stubblefield came within a fraction of an inch of reaching his 170-foot goal, but his 169-11½ was a new meet, field and Oregon record. Washington last its relay title to Oregon.

Rich Cuddihy of Oregon State established an automatic meet record in the three-mile, a new event, and in the process ran the fastest NCAA race of the season with a 14:10.5 clocking, topping Jack Nelson of Arkansas who was the previous leader with 14:12.2.

Oregon, beaten only by Southern California in a dual meet, continued its dominance in the sport. The Webfoots had won the Far West Relays at Pullman with 75 points to OSU's 43½, and

downed the Beavers 79-51 in a dual meet. The two neighborhood rivals clash again in a dual meet Tuesday, May 20.

Oregon, however, sends a skeleton crew to the California Relays in Modesto next Saturday where the highlights are Oregon's assault on the world four-mile relay record and Jerome and Cook meeting San Jose's touted Dennis Johnson in the 100. Jerry Tarr, who was an impressive double winner in the hurdles Saturday, will also be gunning for a 13.9 or better in the highs.

Oregon's two ace sprinters were happy with their double win. Jerome was the spokesman and said, "We were mad and tired of listening to the pep talks

by Marsh." When reminded they didn't have too much competition, Cook replied, "We sure did — Harry!"

Bowerman said he was worried at times. Oregon State was ahead 26-24 after six events.

"I figured with our best we could win by 10 points," Bowerman said, "but we were 5½ points down in the field events and Oregon State 4 points up at the high jump. It was nerve-racking."

In the mile, OSU's Dale Story took the lead and held it for three laps as he had quarters of 60, 64 and 64. Burleson and then Keith Forman moved ahead of Story and in the back stretch and George Larson "look" the

Beaver on the last turn and sprinted past Forman for second by inches.

Burly looked back with about 20 yards to go and slacked off at the end to win with comparative ease.

The inside and outside lanes of the track were in bad condition, especially early in the meet although the rain stopped except for a light drizzle near the end. Jim Puckett had the second lane in the quarter and had a good shot at Johnson, but the heavy going was too much for the little fellow and was even nosed out of third place.

Jerome won both sprints in DUCKS

WENATCHEE (P)—Wenatchee and Eugene put on a display of power Saturday night for Northwest League president Jim Fleischman with the visiting Emeralds taking the victory 14-8.

The victory moved the Ems from sixth to fourth place in the league standings.

Eugene got three runs in the first inning and three more in the second, with Bob Barton's solo homer and a triple by Jim McClain the big blows.

Wenatchee came back with six runs in its half of the second. Moe Morhardt had a two-run double and Ken Fisher, who was four for four at the plate, getting a two-run single.

The Emeralds went ahead to stay in the fifth on a walk, a stolen base by Dick Mitchell and singles by Barton and Ron Phifer. Don Carlson struck out nine in relief, and picked up his second win in two nights.

★ The State of Oregon and the universities of Oregon and Oregon State will be well represented in the 40th annual NCAA track and field championships at the University of Pennsylvania's Franklin Field June 16-17 in the 73rd annual National AAU in New York June 23-24.

Last year Berkeley, Oregon and Oregon State finished in a fourth-place tie with 22 points, trailing Kansas with 50, USC with 37 and UCLA with 31. Oregon's scoring came as the result of Dyrol Burleson's victory in the 1,500 meters and George Larson's sixth place, Dave Edstrom's third in the high hurdles, Jerry Close's sixth in the broad jump, and Jerry Stubblefield's fourth in the discus.

Oregon State scored with Darrell Horn placing second in the hop-step-jump and third in the broad jump and Gary Stenlund's second in the javelin.

In the AAU at Bakerville the Emerald Empire A. A. placed fourth with 34 points, following Southern California Striders' 106, Santa Clara Youth Village's 68 and New York A.C.'s 55.

The EAAA scoring came as the result of Otis Davis' victory in the 400-meter dash, Jim Grelle's victory in the 1,500 meters, Bill Dellinger's victory in the 5,000 meters and Jerry Tarr's fourth in the high hurdles.

All except Dellinger, Edstrom and possibly Stenlund will

TWO WINS, MANY RECORDS—Oregon State's Darrell Horn (left) and Oregon's Harry Jerome (right) not only won victories for their respective schools in the Far West track championships at

Corvallis Saturday, but set a flock of records in doing so. Horn, shown winning the broad jump, broke meet and field records with his 25-9 effort. Jerome, winning the 100 in 9.3, did the same and also tied the world record. Finishing second and to his right is Roscoe Cook of Oregon, who also has run a 9.3 100. Jerome and Cook also placed one-two in the 220 to help Oregon win the title.

SECTION B EUGENE, OREGON, SUNDAY, MAY 21, 1961

Skyline, Border

Two Loops Form New Conference

SALT LAKE CITY (P)—A new athletic conference that includes four teams from the Skyline Conference and two from the Border was formed here Saturday.

President A. Ray Olpin of the University of Utah issued a joint statement at the conclusion of the meeting. The statement said the new league would emphasize scholastic standards.

The statement did not say anything about future expansion, but at previous meetings, such a possibility had been discussed.

All the schools except Wyoming had been mentioned prominently in previous talks about formation of a Great Western Athletic Conference that also would include Oregon, Oregon State and Washington State, three orphan members of the old Pacific Coast Conference. But these schools were not included in the secret meetings here this weekend.

Oregon Wins Golf Crown

The story was the same this year.

Oregon captured the 1961 Far West team golf championship and Stu Schroeder of Oregon State won his second straight individual championship.

Coach Sid Milligan's Ducks came off a four-stroke deficit, in which they trailed Idaho 304-300 after Friday's action, to win. Five of the six Webfoot team members toured the par 72 Eugene Country Club course in under 80 Saturday.

Team scoring is based on the best four scores from each squad each day and adding them together.

The championship was the Ducks' tenth in Far West competition, formerly the Northern Division, and tied them with Washington for the most championships. Washington is now competing in Big Five competition and was not entered in the tourney.

The first-round individual leader, Ray Kowallis of Idaho, skyrocketed to a 78 Saturday after shooting a 71 Friday for a 149 total.

Schroeder added a one-under-par 71 Saturday to his 76 Friday for a 147 total.

The second place individual honor ended in a tie between Don Clark of Oregon and Gary Floan of Idaho, each with 148's. Both

HE'S ALMOST THERE—Another stride and Oregon's Dyrol Burleson will have finished his record-setting 880-yard run in Saturday's Far West track championships at Corvallis. Burly, who also won the mile, was timed in 1:48.7 for the half for new meet and field records. His 4:05.6 clocking for the mile also was a meet record.

Carry Back Adds Preakness Triumph

BALTIMORE (P)—Carry Back, the most popular colt since greycloated Native Dancer thrilled the fans eight years ago, came from behind with his characteristic late rush Saturday and won the 85th running of the \$178,700 Preakness Stakes at Pimlico.

With jockey Johnny Sellers astride the Kentucky Derby winner, Carry Back zoomed up from seventh place in the field of nine three-year-olds and gave the same heart-throbbing finish he provided at Louisville two weeks

ago. The little dark-brown son of Saggy-Joppy by Star Blen, whipped down to the finish line of the mile and three-sixteenths race and poured it on just when it appeared that Leonard P. Sasso's Globemaster might take the \$126,200 first prize, which was the second richest of all Preaknesses inaugurated in 1873.

The winning time was 1:57.3/5, three seconds slower than the Pimlico record.

Carry Back, the even-money

favorite of an excited crowd of 32,211 customers, came swinging away on the outside just like he did in the Derby and just made it in the final strides to win going away by ¾ of a length over Globemaster.

He won the Derby at Churchill Downs May 6 by the same margin over Fred W. Hooper's Crozier. This cloudy but rainless day, however, Crozier could do no better than third, four lengths behind the pace-setting Globemaster, who had upset Carry

Back in the Wood Memorial April 26 at Aqueduct.

Mrs. Ethel D. Jacob's Dr. Miller, who made a late rush in the Derby to finish fourth, repeated his performance this time a half-length behind Crozier.

Carry Back, who is supposed to be unfashionably bred, gave the critics all the answers again just like he did in Louisville. Before that he had beaten Crozier in the Flamingo at Hialeah and the Florida Derby at Gulfstream Park, both \$100,000 races.

Now it's on to New York, where Carry Back should be the odds-on favorite to win the \$125,000-added Belmont Stakes June 3 and become the ninth three-year-old to sweep the triple-crown — the Derby-Preakness-Belmont. No horse has accomplished this since Calumet Farm's great Citation in 1948.

Sherluck was fifth, followed by Hitting Away, Nashua Blue, Ben Weiner's Orleans Doge and the Crimson King Farm's Crimson Fury.

B Meet Won By St. Mary's

St. Mary's of Medford won the State B Track Meet Saturday at Silke Field in Springfield during a day that saw two records and some old rain.

The crusaders tallied 57 points to lead the Corbett Cardinals, who finished second with 43 points. Camas Valley and Bonanza each accumulated 22 points for a third place deadlock. The traffic around fifth spot was also compact—Adrian, Oregon School of the Deaf and Prairie City each produced 20 points for a three-way tie.

Knappa, who came eighth, had the consolation of establishing the most unique score: 19 29/40ths.

Records came in the mile and the 880 Saturday. A javelin mark had been made Friday.

• Dick Goodling of Corbett took 4:30.9 to course the mile and thereby erased the old record of 4:32.8 set in 1956 by James Reeves of Wallawa.

• Chuck Wells of Ukiah went 2:00.3 in the 880 to shatter another Reeves record (2:01.5).

• Burt Keppela of Knappa had thrown the javelin 190 feet, 5 inches Friday night for the meet's other record.

The individual winner Saturday was Terry Monroe. The Corbett Cardinal scored 27 solo points with wins in the broad (21 feet, 1½ inches) and the high (5-10) jumps and a second in the low hurdles.

Alsea's Ted Kane copped second with a 22-point effort. Kane gained a first in the 440 at 52.1, a second in the broad jump and a fifth in the high jump.

James McGinnis of Camas Valley, who won the 100 in 10.3, was
