# Ohio State Tops Minnesota

MINNEAPOLIS (AP)—Ohio State's precision basketball machine rode to its 13th straight victory Saturday night as the Buckeyes shattered Minnesota 90-76 in the Big Ten.

The tenacious Gophers stayed within hailing distance in the first half, trailing only 41-36 at intermission. But the Buckeyes broke it open by outscoring Minnesota 12-3 in the first 3:15 of the second half.

### Washington Falls, 64-59, To Stanford

STANFORD, Calif. (AP)—Stanford won its second Big Five basketball game by whacking Washington 64-59 before 2,700 fans Saturday night.

The Indians remained unbeaten in conference play despite a 29-point performance by Huskies center Bill Hanson. John Windsor pumped in 18 for Stanford. Stanford is now 8-2 overall.

Washington stormed back after the intermission to gain a 35-35 lock with 16 minutes remaining. Don Clemetson and Hollis Moore broke the lock with back-to-back baskets for Stanford, making it 39-35, the Indians running in front the rest of the way.

Stanford fired 38.7 per cent from the field, including only seven field goals in the second half. Stanford maintained its momentum in the second 20 minutes, however, with 19 free throw points. For the game, Stanford hit on 24 charity tosses off 32 attempts.

Washington was 47 per cent from the floor but trailed at the foul line on 17 hits off 26 attempts.

Washington also led in rebounding, 43-33, but 22 losses of the ball, including 13 calls for steps, more than made up the difference.

WASHINGTON (59) — Correll, Niva 11, Hanson 28, Reiten 4, Brown 10, Easley 3, Hart, Paul, Wilson 2.

### Warriors Defeat Pistons by 123-107

PHILADELPHIA (AP)—The Philadelphia Warriors continued their National Basketball Assn. domination over Detroit Saturday, defeating the Pistons 123-107 in a nationally televised game.

Philadelphia won the warpath in the third period to nail down the victory after trailing 52-51 at the half.

In the third period the Warriors totaled 36 points to the Pistons' 23.

Guy Rodgers and Joe Ruklick were the playmakers behind the Warrior victory. Rodgers, in action all but four minutes, sparked the third period rally. He scored 16.

The game was tight throughout the first half, with the score tied 11 times. In the fourth period Detroit never got closer than 12 points, and at times Philadelphia led by as much as 18.

The fourth quarter was only 30 seconds old when a fight broke out between Lee Shaffer of Syracuse and Boston muscleman Jim Loscutoff. Players poured off both benches to join the fray, and it took more than five minutes to restore order.

Both players remained in the game.

The second battle started with 2:30 left when Joe Roberts of Syracuse and the Celtics' Tommy Heinsnow squared off. Again the players charged from both benches and some fans joined in before it was quelled after a 12-minute delay.

This time officials Jim Duffy and Ron Rakell cleared both benches and sent all but five men from each team to the dressing rooms. The game was completed with only the players on the court.

### Royals, 125-124

CINCINNATI (AP)—After finally catching up with the Cincinnati Royals, the Los Angeles Lakers went ahead for a moment and were then defeated 125-124 after a last-minute scramble in a National Basketball Association game.

Scoring honors for Cincinnati went to Robertson, with 39, and Twyman who made 32 points. West was high man for Los Angeles with 36 and Frank Selvy had 21.

ST. LOUIS (AP)—Bob Pettit pumped in 36 points as the St. Louis Hawks defeated the Chicago Packers Saturday night 116-112 and continued their drive toward third place in the National Basketball Association's Western Division.

### Utah, 94-89

SALT LAKE CITY (AP)—Utah won its fifth straight Skyline Conference basketball game Saturday night, beating Brigham Young University 94-89 behind Billy McGill's 43-point shooting.

BYU has won two and lost two in Skyline play. Utah led with a 5-0 mark.

Burton got four points the first half, 22 the second—26 all told.

### Michigan State, 80-74

### North Bend Falls, 44-42, To Thurston

By JOHN BAUGUESS Register-Guard Correspondent

Thurston's Colts nipped a stubborn North Bend ball club 44-42 in District 5-A-1 action Saturday night.

North Bend, after trailing by as many as eleven points, went ahead 41-40 on Chuck Seven's field goal with 52 seconds remaining.

It remained for Thurston's Tom Staten to squelch any hopes of a North Bend win by sinking three free throws in the final seconds. Staten's free throw shooting kept the Colts out of hot water more than once in the contest—he had 14 of 17 from the charity stripe.

The Colts combined their man-to-man defense with careful ball-handling and cautious shooting to build up a 21-11 halftime margin. And they needed all of those ten points before it was over.

North Bend opened the second half with a press and managed to upset Thurston's offensive patterns. This, along with the scoring of Dan Gebhardt, enabled the visitors to climb within five points of Thurston at the end of the third quarter, trailing only 30-25.

The visitors continued their tactics in the final period and finally went ahead on Seven's field goal to set the scene for Staten's final heroics.

THURSTON (44) — LaFleur 2, Davison 6, T. Staten 16, Headice 3, J. Staten 10, Hancock 6, Guth 1.

### Kansas City Nips Cleveland Five

KANSAS CITY (AP)—Bill Bridges scored 44 points and Larry Staverman added 26 as the Kansas City Steers edged the Cleveland Pipers 115-114 in an American Basketball League game Saturday night.

Staverman hit nine of the final 11 points the Steers scored, but it was a pair of free throws by Maurice King in the last 25 seconds that sealed the game away for Kansas City.

A three-point basket, just before the buzzer by Ben Warley failed to affect the outcome.

Larry Siegfried and Dick Barnett, who hit 26 each to pace Cleveland, matched Bridges and Staverman down to the wire.

### In Six Rounds

## Tiger TKO Victor Over Fernandez

MIAMI BEACH, Fla. (AP)—Dick Tiger stopped Florentino Fernandez in six rounds Saturday night in a bloody middleweight battle scheduled for ten rounds.

Tiger, British Empire middleweight champion, pounded Fernandez into submission and put him out with smashing lefts and rights to the face. Fernandez's nose was broken and referee Mike Kaplan stopped the fight at the end of five bruising rounds. It went into the books as a six round TKO.

Tiger, weighing 160½, concentrated his two-fisted attack on Fernandez' face and piled up points with stinging lefts and rights to the chin and jaw.

Fernandez went for the body but the Tiger, who has never been knocked off his feet, took everything the former Cuban tossed his way and never backed up.

The crowd of 3,871 ringside fans gave Tiger a tremendous cheer as he handed Fernandez only the fourth loss of his 34-fight career.

Fernandez, who weighed 160, threw his devastating left but it missed frequently and when it connected it was to the Tiger's sturdy middle. Fernandez, his face reddening with each blow, backed away from Tiger's rushes and powerful fists that frequently found their mark.

In the fifth Fernandez' face looked like a large ripe tomato as Tiger continued his attack.

Tiger, a broad-shouldered, narrow-waisted fighter, kept boring in and had a lead on points when the fight ended.

Tiger, the 10-8 favorite, is ranked No. 1 challenger to Gene Fullmer by Ring Magazine and may get a shot at Fullmer's title this summer.

The fight drew a gate of \$10,964 and was carried on nationwide television.

Jersey Jones, manager of Tiger, said, "The first thing Monday morning I am going to do is call Commissioner Abe Greene's office and put up the required \$2,500 bond to force Fullmer to fight us."

"It's a bad break," said Angelo Dundee, who handled Fernandez last Aug. 5 when the Cuban lost a 15-round split decision to Fullmer at Ogden, Utah.

The Portland quintet has won 17 out of 20 in a busy early season.

Jim Altenhofen collected 28 points, 18 in the last half as the independents came from behind a 33-27 halftime deficit to win with comparative ease.

Coach Don Kirsh of Oregon Ducklings held the lead until the last nine minutes of play before Dick Jolley, who collected 15 points, tallied to move the Portlanders in front for keeps.

## Ron Stein King of Wheelchair Athletes

CHICAGO (AP)—The world's greatest athlete? A good choice is Ron Stein, a successful young businessman in the Illinois town of O'Fallon, near St. Louis.

He excels at every position in football. His shooting skill and defensive tactics are something to behold in basketball.

He has bettered wheelchair athletes' records shot put (44 feet), discus (111 feet), javelin (110 feet), 60-yard-dash (12.2 seconds) and 100-yard dash (19.0).

Those marks don't impress you? Try them from a wheelchair as Stein is forced to do.

Stein is a muscular, crew-cut blond with the vigorous

personality of a natural-born leader. He is the father of a two-year-old daughter, Lori, and his wife, Janet, is expecting another child in two weeks.

Stein was an outstanding high school athlete at O'Fallon. He was stricken by polio after graduation. He enrolled at the University of Illinois, whose student rehabilitation program for the severely physically handicapped has received international recognition under the dynamic guidance of Prof. Timothy J. Nugent.

Stein more or less epitomizes the rehabilitation program at Illinois, if not throughout the nation.

After graduating with honors last year, Stein established

himself as the world's greatest wheelchair athlete by winning the pentathlon with more than 3,000 points in the 1960 Paralympics at the Rome Olympic Games.

He was one of 24 wheelchair athletes on the U. S. Paralympic team that took third place among 24 countries entered.

Although virtually all national rehabilitation programs encompass track and field, swimming, basketball, softball, archery, baseball and volleyball—with square dancing thrown in for good measure—Illinois is the only school so
