

**Spring Story**

Worsted wool suit (left) with four "pretend" pockets, collarless neckline and slim skirt makes spring fashion news. White silk faille overblouse has buttons placed across the front in double-breasted effect. Lightly crisp all-worsted weighing only four ounces to the yard fashion dress (right) which is delightful

for luncheons, teas or shopping on a sunny day. Top is of iridescent blue with fine line of gold and skirt is made of cluster stripe which also trims the overblouse. Fabric is impervious to creasing, light and comfortable to wear.

**White "White"**

Keeping white nylon lingerie really white isn't much of a problem if you use a water softener along with detergent in each washing. The water softener helps to loosen and float out even stubborn grime.
