Five States to Hold Primaries Tuesday

By ASSOCIATED PRESS
Voters in five states make their choices in party primaries Tuesday involving two governorships, two U.S. Senate seats and 54 House posts.

Elections in Ohio, Florida, Indiana, New Mexico and West Virginia will be spiced with some old familiar political names, and some differences of opinion on how to finance medical care for the aged.

Ohio Republicans will choose between two sons of two late Ohio senators for congressman at large. They are Robert Taft Jr., majority leader of the Ohio House and son of the late Sen. Robert A. Taft, and State Sen. Lowell Fess, son of the late Sen. Simeon D. Fess.

On the Democratic side in Ohio, both Gov. Michael V. DiSalle and Sen. Frank J. Lausch have opposition but seem as-

sured of renomination. DiSalle is opposed by State Atty. Gen. Mark McElroy, Lausche, by former labor organizer Albert T. Ball of Cleveland.

John Marshall Briley, Toledo attorney, and James A. Rhodes, former mayor of Columbus, appear to be the leaders in GOP primaries for senator and governor respectively.

Former Sen. Claude Pepper of Florida, defeated in the 1950 Democratic primary by present incumbent Sen. George A. Smathers, has three opponents in a race for one of Florida's four new House seats. An early New Dealer, he has endorsed the Kennedy administration without reservation.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

Smathers also is running, seeking his third term in the Democratic primary with Robert L. Davis and Douglas R. Voorhees. Emerson Rupert of St. Petersburg is unopposed for the GOP senatorial nomination.

In four of the six Democratic House primaries in Florida, the President's Social Security plan for financing health care for the aged is an issue.

Another gubernatorial contest is in New Mexico where four Democrats seek the nod to challenge Republican Gov. Edwin L. Mechem, unopposed in his bid for a fifth term nomination.

Indiana has only a congressional primary this year and all

11 incumbents — four Democrats and seven Republicans — appear to be safe bets for renomination.

West Virginia also chooses only congressional nominees. The only incumbents with opposition are Rep. Ken Hechler and Rep. Elizabeth Kee, both Democrats.
