

Horseless Carriage

There'll be no smashed fenders for these women drivers—at least not before they solo. Each girl in driver education class in a Chicago high school has her own steering wheel, accelerator and brake which she manipulates while viewing road situations on a movie screen. Students learn rapidly with the training method.

This GW Certificate

Guarantees You The Best USED CAR WARRANTY

Here's Why:

- 1 The Guaranteed Warranty, unlike most merchandise warranties, not only guarantees you 15% discount on all parts, but also guarantees you 15% discount on ALL LABOR for non-collision repairs... and is good for ONE FULL YEAR without any mileage limitation.
- 2 The Guaranteed Warranty is not limited to the dealer where you buy your used car. Your GW Certificate will be honored by more than 8,000 franchised new car dealers throughout the U.S. and Canada.
- 3 The Guaranteed Warranty, unlike other warranties, includes most maintenance items—such as tires, mufflers, batteries, brake adjustments and linings, lights, spark plugs, tune-ups, wheel balancing, front-end alignment, etc.
- 4 The Guaranteed Warranty is your assurance of quality service by factory-trained mechanics with factory parts, because only franchised new car dealers can qualify as members of the GW Plan.
- 5 The Guaranteed Warranty assures you of a TRUE discount because you do not show the official GW Certificate UNTIL AFTER the repair work is done.
