NEW YORK (AP) — The New York Yankees used their time-tested formula of power plus pitching to beat the Washington Senators 3-2 Friday night and extend their winning string to eight, the longest of the season for the American League leaders.

Mickey Mantle's 10th homer, with Roger Maris on base, and Hector Lopez' sixth circuit clout accounted for all the Yankee runs as they snapped a five-

game Washington winning string.
Yankee ace Whitey Ford got credit for the victory, his ninth against five losses. He complained of tiredness after seven innings and retired in favor of a pinch hitter, Marshal Bridges finished up, allowing two hits in two innings.

Washington lefty Steve Hamilton, the first of three Senator pitchers and the loser, gave up only four hits in four innings, but two of them were homers.

The Yankees never trailed. Maris walked on the full count with two out in the first and Mantle, batting right-handed against the left-handed Hamilton, blasted a drive against the facade on the second tier in left field.

He added two singles later in the game, though neither figured in the scoring.

Lopez' homer leading off the Yankee fourth was the 120th of the season for New York.

CHICAGO (AP) — Tommy Davis drove in four runs to become the first major leaguer to knock in 100 this season and led the Los Angeles Dodgers to an 8-2 victory over the Chicago Cubs Friday.

Right-hander Stan Williams, off to a rocky start in the first inning and needing help from Ed Roebuck in the eighth, scored his ninth success against five losses and boosted his lifetime record against the Cubs to 7-1.

The first three Chicago batters hit safely giving the Cubs a 2-0 lead which Ron Fairly wiped out with his 10th homer in the fourth inning with a man aboard.

The league-leading Dodgers pushed across four unearned runs in the fifth inning and added two more in the sixth with Tommy Davis producing two-run singles in each uprising.

With the score tied 2-2 in the fifth, Williams reached first on an error by shortstop Andre Rodgers. Maury Wills flied out but Jim Gilliam doubled to right. After Willie Davis bounced out, Tommy Davis rapped out a two run single. The Dod-

gers loaded the bases on a single by Fairly and a walk before John Roseboro singled home two more runs and drove starter Bob Buhl to the showers.

Singles by Lou Brock and Ken Hubbs, a double by Billy Williams and an infield out accounted for Chicago's two runs in the first. The only other hits off Williams were a pair of harmless singles in the seventh but after retiring the first two batters in the eighth, Williams walked the bases full. Roebuck came in and retired Rodgers to end the threat.

Wright Leads By Three In Tourney

SUTTON, Mass. (AP) — Mickey Wright not only carried a three stroke lead into the second round of the \$10,000 Women's Eastern Open Golf Tournament today but also a deep conviction that her tremendous power off the tee will not be a prime factor in the bid to win.

"This Pleasant Valley Country Club is a long 6,600 yards and many feel it's a tee shot course," Mickey said in reflecting on her course-record, 37-34-71, 3-under par Friday.

"I say this one will be won by the girl who can pick the right club for her shot onto the green and then get by with the fewest 3-putt greens."

Mickey is three shots ahead of Shirley Engelnorth of Spokane, Wash., heading into Saturday's middle round of the 54-hole test.

Marshlands Should be Shared

WASHINGTON (AP) — A House Interior subcommittee was urged Friday to approve a Senate-passed bill calling for ducks and farmers to share the marshlands of the Tulelake, Lower Klamath and Upper Klamath wildlife refuges in California and Oregon.

Asst. Interior Secretary Frank Briggs told the reclamation subcommittee that the bill would go far toward reconciling differences that have been plaguing the area for years.

Briggs said the legislation of the Bureau of Sport Fisheries and Wildlife, termed the "Wildlife, Fish and Wildlife Service" water conservation program.

Reds Down Mets

CINCINNATI (AP) — Chunky Gordie Coleman banded his 19th season homer Friday night leading Cincinnati in a 3-1 win over the New York Mets.

Two double plays helped Joey Jay, who scattered eight hits, take his 13th season victory. A leadoff homer in the sixth by Frank Thomas, his 16th this year, kept the Mets from a shut-out.

The Reds extracted seven hits from Roger Craig, and started to make good on them early. In the second inning Frank Robinson's one-out single set up Coleman's two-run home run.

Leo Cardenas' leadoff walk in the fifth, plus a bunt set the stage for another run on Vada Pinson's single.

Jay had trouble in early innings, but settled down. He fanned five Mets and walked only two in his 11th complete game of the year.

Southpaw Jackie Curtis shut-out the Phillies on four hits after relieving Lew Burdette in the third inning of the opener.

The Braves scored six runs in the second inning off rookie southpaw Dennis Bennett, but the Phils touched Burdette for five runs on two homers before Curtis relieved. Roy McMillan's three-run homer was the big blow of the opener for Milwaukee.

In the second game, Mahafey, who struck out 11, led off the fifth inning with a triple to center and scored on Johnny Callison's infield out to snap a 2-2 tie.

Twins Edge Orioles

MINNEAPOLIS (ST. PAUL) — Earl Batley, whose error in the eighth inning permitted the tying run, belted a two-run homer in the 10th inning Friday night to give the Minnesota Twins a 7-5 victory over the Baltimore Orioles.

The Twins were leading 5-4 in the eighth on the margin of a two-run bases-loaded single by pinch-hitter Don Mincher. But Batley dropped an easy pop out off the bat of Jerry Adair, who went on to single and score an unearned run on Dick Williams' sacrifice fly.

Batley came up in the 10th after Harmon Killebrew had opened with his third walk. Bob Allison sacrificed his pinch runner—Orlando Martinez—to second and then Batley socked his seventh homer near the left field foul pole off Oriole loser Hal Brown.

Detroit Shakes Slump

KANSAS CITY (AP) — The Detroit Tigers blasted six home runs Friday night and broke out of a seven game losing streak by beating the Kansas City Athletics 10-3.

Norm Cash drove in three runs with two homers—his 24th and 25th—scoring Rocky Colavito ahead of him in fourth inning with a shot off starter and loser Diego Segui. The second was a solo shot in the ninth inning off reliever Bob Giggie.

The pitching victory went to Don Mossi, giving him a season mark of 8-10. The crafty left-hander limited the A's to five hits, one of them Jerry Lumpe's homer in the last inning.

The A's made a brief flurry that netted them one run on three hits and a base on balls. George Alusik singled and came home on Manny Jimenez's double. But Jimenez's double attempt to stretch the hit to three bases and was thrown out by Colavito. Finwood Sullivan flied for the final out.

U.S. Should Take Lead Today

U. S. Probably Won't Get Games

STANFORD, Calif. (AP) — The United States had a chance to take a quick lead over Russia today in the opening session of their international dual track meet thanks to a schedule that listed five events which America has dominated in the past.

While an overweight Wilma Rudolph tries to make it four consecutive wins for America in the women's 100 meters, the United States males will seek to maintain their superiority over Russia in the 100 meters, 110 meter hurdles, 400 meters and 400 meter relay.

Coach John Oelkers of the United States thinks that a world record might fall in the 400 meter relay which will be handled by Hayes Jones, Bob Drayton, Homer Jones and Paul Hayden.

And he was emanating confidence while Gavriel Korobkov, the Russian coach, played it close to his ample chest.

"I don't want to sound cocky," Oelkers said. "But I think we will win this meet." States team," the genial Korobkov fenced. The Soviet coach also doubled as a diplomat, promising a Sacramento, Calif., housewife that he would deliver her written letters to Premier Khrushchev asking that her brother be released from prison.

In other leading events today, Ralph Boston of the United States squared off against Igor Ter-Ovanesyan, who had leaped a world record 27 feet, three inches.

But Ter-Ovanesyan only has taken one jump all week and spent the rest of the time undergoing heat treatments for a sore leg.

"How is he?" smiled Korobkov. "He is all right. He has some sore muscles but that happens to every athlete at one time or another."

When the games are held in Europe they usually attract around 7,000 athletes, compared with the 6,000 that will compete in 1964 in Tokyo.

There are increasing indications that Russia will not bid for the meet," says Ferris. "I know the United States will not bid for a strong bid. Detroit, Los Angeles and San Francisco all seem interested—although the interest may be dwindling in Detroit."

"But the 1964 games will be held in Tokyo—and it's very doubtful that the nations of Europe, which hold the balance of voting power, will be willing to travel as far as Japan one year and come right back and go as far as the United States the next."

In fact, Ferris believes that the meet will be held in their area both in 1968 and 1972—and that it will be at least 1976 until the United States can get the Games back here.

The last time they were in the United States was when the 1932 games were held in Los Angeles.

It is believed that Russia could have the games just for the asking. But it is reported that the Soviets have enough problems housing their own people without bringing 7,000 more and trying to make arrangements for them.

When the games are held in Europe they usually attract around 7,000 athletes, compared with the 6,000 that will compete in 1964 in Tokyo.

Thompson, Johnstone Golf Finalists

WICHITA, Kan. (AP) — Seventeen-year-old Jeannie Thompson of Tulsa, Okla., and Mrs. Ann Casey Johnstone of Mason City, Iowa, were matched in Saturday's 36-hole final of the women's Trans-Mississippi golf tournament.

The Tulsa youngster scrambled through Friday's semifinals while the tournament-wise Mrs. Johnstone breezed to a 5-4 victory over Maureen Crum of Plant City, Fla.

Miss Thompson took a 1-up decision over Mrs. Ruth White Miller of Long Beach, Calif., on the 20th hole, sinking a 6-foot birdie putt.

Bergstrom Quits Coaching Post

Ring Wire May Stop Vachone Tonight

COTTAGE GROVE — Ralph Bergstrom has resigned as head basketball coach at Cottage Grove High to accept a position in Vancouver, Wash.

Bergstrom, at Cottage Grove the past two years, will be an assistant at Ft. Vancouver High. Lyle Fagnan, junior varsity basketball coach in recent years, will replace Bergstrom and also assume the duties as head track coach.

Chicken wire will be stretched around the fairgrounds Cow Palace ring tonight when Maurice Vachone meets Shag Thomas in the feature wrestling match. Vachone, the unpopular Frenchman, has been accused of running out of the ring. Thomas requested the rule, approved by the Eugene wrestling commission.

At Pago-Pago meets Rough House Coleman in the opener, getting under way at 8:30 p.m. standard, 9:30 p.m. daylight. The semifinals feature will be Herb Freeman against Pepi Gomez.

Arenas to Make Comeback Attempt

ANDOVER, Mass. (AP) — Defensive back Joe Arenas has come out of retirement to sign a Boston Patriots contract as the American Football League club opened its pre-season training camp Friday.

The one-time San Francisco 49er was well known in the NFL as a kickoff and punt return man before he retired in 1958. The 32-year-old, 180-pounder said Friday he decided on the comeback try because he hopes to enter coaching in the near future.
