Something New: Ready-to-Sew Kit

Home seamstresses have never had it so easy!

Newest idea to simplify their task involves "Ready-to-Sew" kits for the entire family. Now available in Eugene, the kits include fabric and quilted or orlon pile lining, both cut to size, as well as the interfacing, thread, buttons and other items to complete the garment.

Styles available thus far, in a range of sizes and colors, include a little girl's coat, a boy's coat, a young lady's carcoat and a campus coat for young men. An instruction sheet explains how to sew the pre-cut, pre-measured pieces together, making just one step from "ready to sew" to "ready to wear."
