

Wind Forces Postponement Of Prep Tilts

Some tried. Some made it. But the majority of Emerald Empire prep football games were wiped out by Friday's violent windstorm. It was much the same in all areas west of the Cascades.

Oakland and Powers braved winds at Powers that reached an estimated 90 miles an hour in gusts with Oakland taking a 14-13 Trico-Bico win.

Mohawk trimmed St. Paul 13-2 in eight-man play and Crow blanked Elkton 4-0—the score is no typographical error—in a Trico-Bico game.

McClure Set For TV Bout

NEW YORK (AP) — Unbeaten Wilbert "Skeeter" McClure may be ready for a ranking among the middleweight division's top ten after only 12 pro fights.

The test is No. 12 tonight. That's when the talented, 23-year old soldier from Toledo, Ohio, takes on strong-jawed, experienced Gomeo Brennan of Bimini, Bahamas, in a television (KEZI Channel 9, 6 p.m. PST) 10-rounder at Madison Square Garden.

McClure, the Olympic light middleweight champion of 1960, is undefeated in 11 pro fights, winning five of them by knockouts. In his debut as a Garden and television-featured fighter he upset able Farid Salim of Argentina.

Because of that victory over a tested foe, the 6-foot Army private has been made the 11-5 choice over Brennan, also 23 but far more experienced.

Brennan, a compact 160-pounder with an aggressive style, has fashioned a 52-0-5 record, including 27 knockouts. He never has been stopped.

Patterson Wants Liston Rematch

BOSTON (AP) — Floyd Patterson's manager says the deposed heavyweight champion wants a rematch with Sonny Liston, who knocked him out last month and won his crown.

"There definitely will be a rematch," Cus D'Amato said Wednesday at a news conference. "It's in the original contract and Floyd will insist on a second fight."

D'Amato, deflating speculation that Patterson might not hold Liston to the rematch agreement, said Patterson feels the second fight "will be a very different one."

Liston knocked Patterson out in the first round of a scheduled 15-rounder in Chicago Sept. 25.

POWERS — Oakland moved into a tie for the Trico-Bico League football lead Friday with a windy 14-13 victory over Powers.

A first quarter safety, the result of winds that were estimated to have reached 90 miles an

hour in gusts, proved to be the deciding factor.

Bo Cannon scored on touchdown runs of one and 30 yards but Powers almost pulled out a tie in the final period when Bill Hill went 28 yards with a wind-halted punt.

But the conversion run fell short.

Dallas needed just four plays to negotiate the 78 yards at the start of the finale. Quarterback Len Dawson passed to the ever-present Chris Burford for 15 yards, then on a third down maneuver he lobbed a long bomb to Haynes.

Frick Calls Off World Series Game Again

SAN FRANCISCO (AP) — The sixth game of the World Series between the San Francisco Giants and the New York Yankees was postponed further Saturday, because of a steady rain pounding down on the San Francisco area.

"It's just impossible to play," said Commissioner Ford Frick, after a tour of Candlestick Park, home field of the Giants.

He did not immediately set a new date for the game, pending consultation with the groundskeepers.

Ordinarily it would be put

over until Sunday at noon, but Marry Schwabe Jr., head of the grounds crew said it might take "four or five days for the field to become perfectly dry, even if we had no more rain."

Steady rain is predicted all day for the San Francisco area, and some rain Sunday.

More than two inches fell during the night.

The sixth game — with the Yankees leading three games to two and needing only one more victory to close out the series — was originally scheduled for Friday, but rain and gale winds intervened.

The rains have left nearly

a foot of water standing in the parking lot at the stadium, and the grounds are thoroughly drenched.

The rain not only dampened the spirits of the players of both teams who have become bored sitting around in their rooms or hotel lobbies, but even the rival managers were becoming a bit irritated.

Yankee manager Ralph Houk, concerned that his hitters might become "rusty," was seeking an indoor field house where his men would be able to sharpen their batting eyes.

"We haven't been doing much hitting in the Series as

it is," he said, "but this lay-off is bound to hurt our timing even more."

Giant manager Alvin Dark, bedded by a heavy cold, didn't like the postponement either, but he saw one ray of sunshine through the clouds.

"I want to play," Dark said. "Our players are up, and my pitcher Billy Pierce, is fit and ready."

"But the postponement gives us one advantage. Now Jack Sanford has had three days rest, and is ready to pitch the seventh game. I had been considering Sanford or Billy O'Dell for that assignment. I may use O'Dell in relief of Pierce if I need him."

As it was the half ended on a 13-7 lead for UCLA.

Two fights postponed by weather

LOS ANGELES (AP) — Rainy weather in San Francisco caused a chain reaction among sports promoters that resulted in postponement of the Archie Moore-Cassius Clay heavyweight elimination bout scheduled here Oct. 23.

Cal Eaton, Olympic Boxing Club promoter, said Friday that a new date will be announced Monday.

He explained that because rains have delayed the World Series at Candlestick Park, Tuesday's scheduled middleweight title fight in the park between champion Gene Fullmer and Dick Tiger of Nigeria was postponed to Oct. 23.

This would have conflicted with the Moore-Clay bout in the Coliseum here. Both fighters said the delay would not hinder their training.

McKenzie Wins Cross Country

PLEASANT HILL—McKenzie captured a three-way Emerald League cross country meet Thursday with 35 points while Pleasant Hill was picking up 48 and Elmira 52.

JUNIOR VARSITY—1, Larry Smith Pleasant Hill, 8:14.

It looked as though the game might wind up 2-0 until Bates got the Millers going in that final drive.

An eight-yard aerial to Peglow started the 82-yard march and Bates went 18 yards on a keeper moments later. Then it was 17 yards on a pass from Bates to Peglow.

A pass from Bates to Garrett carried the Millers to a first down on the 10. The visitors lost ground before the payoff aerial.

Giles Villemure closed the door on the Vancouver net Friday night and his Canucks mates scored a 2-0 Western Hockey League victory over the Seattle Totems.

With the victory, the Canucks opened their season and went to the head of the class with Calgary, which also has one win and no defeats.

In the southern division the Los Angeles Blades also opened their season with a victory, trimming the Edmonton Flyers 4-1 to head the division.

The Portland Buckaroos took advantage of heavy penalties imposed on two San Francisco Seals to sack up a 4-3 decision in the other game. That squared their opening series at one game each.

Early in the third period at San Francisco, mayhem broke out on the ice. It ended with the Seals' Duke Edmundson and Larry McNabb banished, Edmundson for five minutes and McNabb for 15. Dallas Smith of Portland also went to the penalty box for five minutes.
