Teams Tally Eight Times

AIR FORCE 7, OREGON 0—Halfback Dick Czarnota, on a power play off his right guard-tackle slot, went the final one yard for the touchdown. John Gavin's placement was good with 1:14 remaining in the first quarter. The Air Force Falcons drove 83 yards on 16 plays, despite four five-yard off-side penalties, for the touchdown.

The Falcons took possession on their 17 yard line after Buck Corey's attempted 32-yard field goal was blocked by Joe Rodwell. Oregon had moved 53 yards on 12 plays to first down on the Air Force 17, but a run and two pass plays failed before the field goal attempt.

The big Air Force plays included a 15-yard wide run to the left by Larry Tollstam after slipping through three Oregon tacklers, a 13-yard option run by Terry Isaacson and then a 19-yarder by John Lorber, on a draw play, for first down on the Oregon six. Following a five-yard Falcon penalty Lorber made four off left tackle and then Czarnota, on the same play he scored on, went six to the one.

OREGON 7, AIR FORCE 7—Berry passed 32 yards to end Dick Emwalle in the end zone with Jerry Thies and Darryl Bloodworth defending. Corey kicked his 12th of 13 placements of the season with 11:30 remaining in the second quarter.

Oregon rolled 80 yards on 10 plays for the score, despite a holding penalty against the Webfoots. The drive started late in the first period with the second unit doing most of the work. Jim Josephson, on a quickie at his left tackle, spun 13 yards and on a fake to the fullback, Berry passed to H.D. Murphy for 20 yards and first down on the Air Force 30. After Berry fumbled and recovered for a two-yard loss, he faked a handoff to Mel Renfro and then fired the TD pass to Emwalle.

AIR FORCE 14, OREGON 7—Isaacson, on a keeper at left tackle for five yards and the touchdown. Gavin's placement came with 6:06 remaining in the second quarter.

The Falcons moved 80 yards in 14 plays for the TD. Isaacson's pass to end Carlton Simpson for 16 yards made first down on the Oregon 30 for the big play and three plays later Isaacson's rollout to his right went 11 yards for first down on the eight. Bloodworth made three yards before Isaacson scored.

OREGON 14, AIR FORCE 14—Berry, on a sneak at left guard, went the last half yard for the touchdown and Corey's placement came with 35 seconds remaining in the half.

The Webfoots moved 77 yards on 12 plays for the touchdown. A Berry-to-Renfro pass for 10

yards made first down on the Oregon 47. Renfro was hard hit by linebacker Dean Hess and the Webfoot left the game—briefly. A Berry-to-Greg Willener pass was good for 16 yards and first down on the Air Force 32 and then Larry Hill, on a trap at left tackle, bulled 18 yards for first down on the 14.

Renfro made six and Hill five to the three. The yards came hard then with Renfro diving right guard for two and then a half yard before Berry scored.

OREGON 21, AIR FORCE 14—Berry passed to Willener six yards into the end zone for the TD. Willener hooked into the inside and took it on his knees. Corey's placement came with 8:01 remaining in the third quarter.

The Webfoots moved 74 yards in eight plays after the Air Force was forced to make the first punt of the game, Oregon taking possession on its 26. The series started with a five-yard penalty, but Renfro, on a fake double reverse, passed to Imwalle who caught the ball along with Bloodworth for 29 yards and first down on the Air Force 46.

Renfro made nine and Hill ten to the 27. Duane Cargill made three and Berry on a bootleg to his left, hit Imwalle for 15 yards and first down on the nine. Renfro, with Willener blocking, went three to the six, from where Berry pitched the six-pointer to Willener.

OREGON 28, AIR FORCE 14—Hill, on a pitchout to his left and provided running room by the left side of the Oregon line, went from just inside the Oregon part of the midfield strip—nearly 50 yards behind Berry's key brush block for the touchdown. Corey's placement came with 3:34 remaining in the third quarter.

Oregon gained possession on its 14, following a clipping penalty on the kickoff. Josephson, between left guard and tackle, made 24 to the 38, Renfro went nine and Josephson four for first down just inside the 50 from where Hill scored.

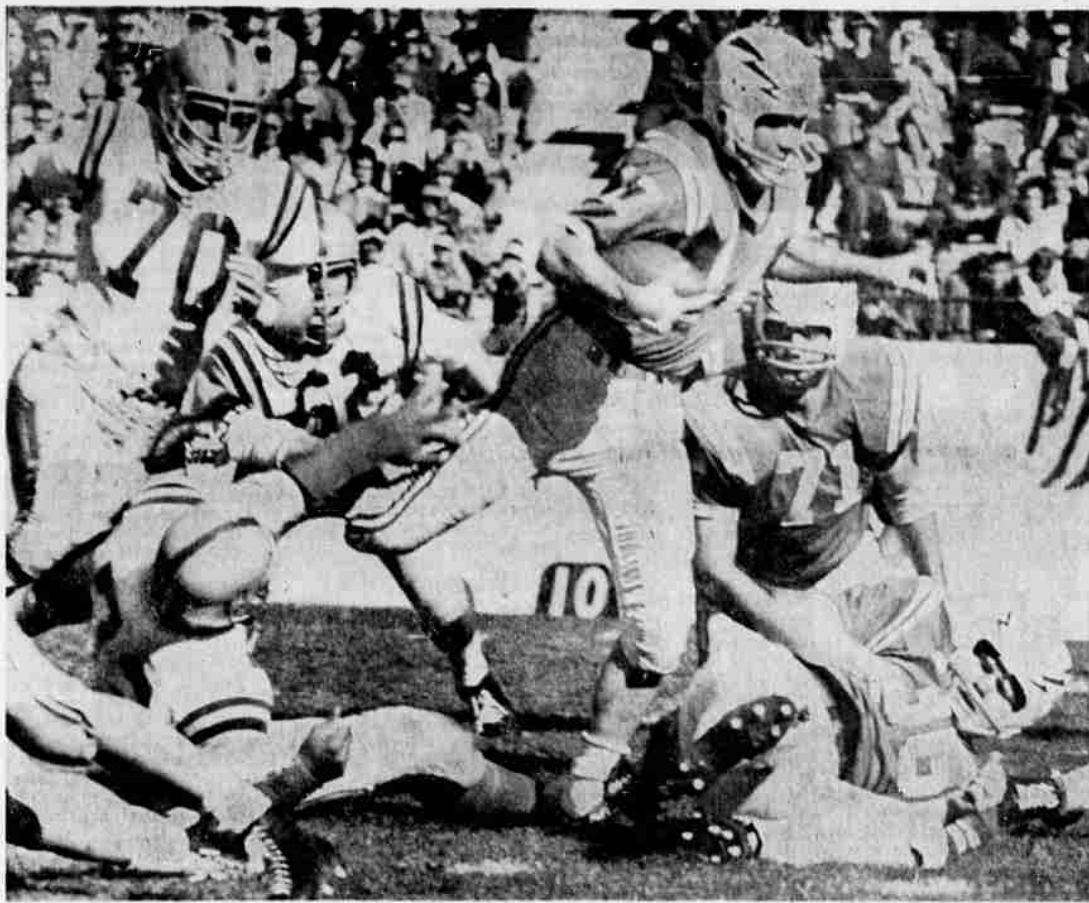

OREGON 35, AIR FORCE 14—Ron Veres passed two yards to Cary Tommerason into the end zone with Dick Ritchie defending for the final Oregon TD. Corey's fifth straight placement came with 13:08 remaining in the fourth quarter.

The 73-yard drive started late in the third quarter when Oregon was penalized on a punt. Tommerason returned to the 50, but the clipping penalty moved Oregon back to the 27. Veres passed to Willener for 15 yards.

Tommerason, on a double reverse to his left, went 35 yards behind Bill Del Biaggio's key block for first down on the Falcon four. Lu Bain failed to gain, but a personal foul moved the ball to the two, from where the TD pass developed.

AIR FORCE 20, OREGON 35—Bloodworth, on a dive at right guard-tackle, went a half yard for the final TD of the game. Bloodworth's attempted pass to Dick Brown for the two-pointer failed with 4:02 remaining in the game.

The Falcons, playing against mostly Oregon's reserve units, went 68 yards on three plays after Ron Snidow's punt (Oregon's first in two games and the only one of the game). A pass from Allan McArtor to Bill Landes went for 14, Lorber made 12 and the last double-figure play was a 10-yard pass from McArtor to Ray Lenno.

brought him down. Also involved in the play are Lowell Dean (73) and Dennis Prozinski (62) of Oregon and Gil Achter (71) and Larry Tollstam (36) of the Falcons. Oregon won the intersectional contest, 35-20.
