NATIONAL FOREST TIMBER FOR SALE
Wilson Ridge Blowdown (Frieda) —Mapleton District

Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the office of the Forest Supervisor, 545 South Second Street, Corvallis, Oregon, beginning at 2:00 P.M., December 26, 1962, for all merchantable timber marked or designated for cutting on an area embracing 43 acres, more or less, within Sections 30, 31, and 32, T. 15 S., R. 8 W., W. M., surveyed, in the Siuslaw National Forest, Oregon. The estimated volume is: 1,600 M board feet of Douglas-fir timber. The minimum acceptable bid per M board feet is as follows: Douglas-fir $26.65. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: $18.95 base rate plus an additional $6.95 for Douglas-fir and $0.75 for slash disposal for all species. In addition there is within the sale area an unestimated volume of Western hemlock and other coniferous species logs which will be paid for at $8.05 per M board feet which includes required deposit for sale area betterment, plus $0.75 for slash disposal. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the selling price indices, as calculated by the Forest Service at the end of each calendar quarter, and the following base indices: Douglas-fir 92.98 (A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the three-months period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rates for any species will not be increased above the base rate until subsequent adjusted rates above base rates develop an accumulated total dollar value in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at Corvallis, Oregon, at 2:00 P.M. on December 26, 1962. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $3,300.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Mapleton, Oregon, or the Forest Supervisor, 545 South Second Street, Corvallis, Oregon, before bids are submitted. A field show-me trip to the sale area will be made for all interested parties on December 5, 1962, starting from the Mapleton Ranger Station, Mapleton, Oregon, at 8:30 A.M.

NOTICE TO MINING CLAIMANTS

Published pursuant to section 5 of the Act of July 23, 1955 (69 Stat. 367).

To whomever it may concern: PROCEEDING NO. FS 62-31 (Oregon 012511).

Notice is hereby given in pursuance of a proper request for publication heretofore filed in accordance with section 5 of the Act of July 23, 1955 (69 Stat. 367), and the regulations thereunder (43 CFR 185.123-185.127).

1. That on May 1, 1962, the Chief, Forest Service, Department of Agriculture, whose address is Washington 25, D. C., filed in the Land Office of the Bureau of Land Management, Department of the Interior, at 710 N. E. Holladay, Portland 12, Oregon, a request for publication of notice to all mineral locators or any person claiming under them involving a mining claim or claims located on lands owned by the United States and under the jurisdiction of the Forest Service in the Counties of Douglas and Lane, State of Oregon, described as follows, to wit:

Oregon 012511 (FS 62-31), the Rigdon Area, 6-SR-19-11, Willamette National Forest, Douglas and Lane Counties, Oregon.

The unsurveyed sections listed are those which would probably embrace the lands when the public land surveys are extended to such lands.

T 25 S, R 3 E: Secs. 1, 2, 3, 10, 11, 12, 13, 14, and those parts of secs. 4, 8, 9, 15, 16, 17, 23, and 24 within the Willamette National Forest. T 25 S, R 4 E: (Unsurveyed) Secs. 1 to 18 incl., 20, 21, 22, 23, 24, and those parts of secs. 19, 25, 26, 27, 28, 29, 30, 32, 33, and 35 within the Willamette National Forest. T 25 S, R 5 E: Sec. 1; partly surveyed secs. 2 and 3; unsurveyed secs. 4 to 12 incl., 17, 18, 19, and those parts of unsurveyed secs. 13, 14, 15, 16, 20, 21, 29, and 30 within the Willamette National Forest. T 25 S, R 5½ E: Sec. 5, and those parts of secs. 3 and 4 within Douglas and Lane Counties; partly surveyed secs. 8, 9, and those parts of secs. 10 and 11 within Douglas County; unsurveyed secs. 15, 16, 17, 21, 22, and those parts of secs. 13, 14, 20, 23, 24, 26, 27, 28, and 29 within the Willamette National Forest. T 25 S, R 6 E: (Unsurveyed) Those parts of secs. 18 and 19 within Douglas County.

2. That if any person claiming or asserting under, or by virtue of, any unpatented mining claim located prior to July 23, 1955, any right, title, or interest in the vegetative surface resources and other surface resources, under such mining claim, contrary to or in conflict with the limitations or restrictions specified in section 4 of said act, as to the above-described lands or any part thereof, shall fail to file in the Land Office of the Bureau of Land Management at 710 N. E. Holladay, Portland 12, Oregon, and within 150 days from the below-stated date of first publication of this Notice, a verified statement which shall set forth as to such mining claims:

(1) The date of location;

(2) The book and page of recordation of the notice or certificate of location;

(3) The section or sections of the public land surveys which embrace such mining claim; or if such lands are unsurveyed either the section or sections which would probably embrace such mining claim when the public land surveys are extended to such lands or a tie by courses and distances to an approved United States mineral monument;

(4) Whether such claimant is a locator or purchaser under such location; and

(5) The name and address of such claimant and names and addresses so far as known to the claimant of any other person or persons claiming any interest or interests in or under such unpatented mining claim; such failure shall be conclusively deemed (i) to constitute a waiver and relinquishment by such mining claimant of any right, title, or interest under such mining claim contrary to or in conflict with the limitations or restrictions specified in section 4 of the Act of July 23, 1955 (69 Stat. 367), as to unpatented claims located after that date, and (ii) to constitute a consent by such mining claimant that such unpatented mining claim shall be subject to said limitations and restrictions, and (iii) to preclude thereafter, prior to issuance of patent, any assertion by such mining claimant of any right or title to or interest in or under such mining claim contrary to or in conflict with said limitations or restrictions. Section 4 provides, generally, that unpatented mining claims located after July 23, 1955 shall not be used for purposes other than prospecting, mining, or processing operations, or uses reasonably incident thereto; that such claims will be subject to the right of the United States to manage and dispose of the vegetative surface resources thereof and to manage other surface resources thereof; and that, except to the extent required for mining operations and uses reasonably incident thereto or to provide clearance for such operations or uses, claimants of such claims shall not use or dispose of vegetative or other surface resources thereof; and that, except for clearance for such purposes, any permitted severance or removal of timber must be in accordance with sound principles of forest management. Said section 4 also provides that any use of the surface of any such mining claim by the United States, its permittees or licensees, shall be such as not to endanger or materially interfere with the prospecting, mining, processing or reasonably incident uses by the mining claimant.

The date of first publication of this Notice shall be September 26, 1962.

NATIONAL FOREST TIMBER FOR SALE
Upper Mann Creek

Oral auction bids will be received by the Forest Supervisor, or his authorized representative, at the office of the Forest Supervisor, Post Office Building, Eugene, Oregon, beginning at 10 a.m. on December 26, 1962, for all merchantable timber marked or designated for cutting on an area embracing 42 acres, more or less, within Section 36, T. 14 S., R. 5 E., W.M., surveyed, in the Willamette National Forest, Oregon. The estimated volumes are: 2,250 M board feet of Douglas-fir, 250 M board feet of Noble fir, 400 M board feet of Western hemlock and other species and 300 M board feet of cedar. The minimum acceptable bid per M board feet is as follows: Douglas-fir $15.50, noble fir $9.05, Western hemlock and other species $8.90 and cedar $5.25. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: $9.75 base rate plus an additional $5.30 for Douglas-fir, $2.00 base rate plus an additional $6.60 for noble fir, $2.00 base rate plus an additional $6.45 for Western hemlock and other species, $4.80 for cedar and $0.45 for slash disposal for all species. In addition there is within the sale area an unestimated volume of pine logs which will be paid for at $15.05 per M board feet which includes required deposit for sale area betterment, plus $0.45 for slash disposal. The stumpage rates payable for each species will be increased by the amortization rate in effect for that species when the unamortized estimated cost of the main haul roads has been amortized by timber scaled. The unamortized estimated cost is $24,633.00. Amortization rates are: Douglas-fir $11.30 per M board feet, noble fir $6.18 per M board feet, Western hemlock and other species $6.02 per M board feet, cedar $2.64 per M board feet and pine $11.30 per M board feet. Amortization of estimated main haul road costs is computed on 80 per cent of the estimated timber volume. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir region indices, as calculated by the Forest Service for the three previous months, and the following base indices: Douglas-fir 129.48 (G), noble fir 92.98 (A) and Western hemlock and other species 92.98(A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the three-months period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for any species will not be increased above the base rate until the subsequent adjusted rates above base rates for all species develop an accumulated total dollar value in excess of the total recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the Post Office Building, Eugene, Oregon, at 10 a.m. on December 26, 1962. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $5,000.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Blue River, Oregon, or the Forest Supervisor, Eugene, Oregon, before bids are submitted.
