## "What Christmas Means To Me"

**LOUISE WOOLLEY**  
Route 2, Box 372  
Veneta, Oregon

"Christmas is a time to give and to be with those you love." Louise, a well liked ten year old, is a young lady who is thoughtful and considerate about the needs of others, helping them to be happy and joyful. A fifth grade student at Central School, Louise lives on an attractive seven acre ranch with her Mother and Father, little sister Anne and big brothers Allen and Norman. "I wish everyone a happy and merry Christmas" is the closing thought in this Grand Prize winning letter.

**SUSAN TEDDER**  
4095 E. Amazon  
Eugene, Oregon

This shy little six year old lady says, "At Christmas time I like to think of Baby Jesus in the manger. Most people are happy at Christmas time. With her big brother Ken and sister Cindy, Susan plays lots of Christmas songs on her record player and then on Christmas eve they each get to open one gift. "It is hard to go to sleep because my heart beats fast." Susan is a first grader at Ellis Parker School.

Our Sincere Thanks to the Hundreds of Boys and Girls Throughout the Emerald Empire Whose Wonderful Letters Made the "What Christmas Means to Me" Contest a Success... And to the Businessmen Represented on This Page Who Made Your 1962 Christmas Contest Possible!
