A Big 12'x18' Living Room Carpeted Wall to Wall Complete

A startling Year-End Offer . . . must be limited to stock on hand. Here are Best-Sellers, from the looms of Mohawk, world's largest carpet mills. Take your choice of any — the round-wire small-pattern Wilton, the random-textured tweed with high-low weave, the nubby textured tweed, or the deeply-embossed multicolored tweed. In fabulous tones of beiges, reds, browns, golds, greens or blues. Long wearing, hearty carpet of a quality which never sees this price level. We do it all—measure, cut, sew, pad and lay wall to wall, one room or as you wish. If you can't come in, write in or phone us.
