Lane Job Rate Favorable

Lane County employment statistics remained comparatively favorable in December in spite of the usual seasonal increase in unemployment.
The monthly report of the Eugene office of the State Employment Service says that from November to December agricultural employment fell by 110, construction jobs declined by about 460, and food processing and lumber production reduced the size of their payrolls.
These losses were largely offset, however, by the hiring of 500 additional temporary workers by retail stores and by additions of temporary help in the post office.
The unemployment rate—percentage of those covered by unemployment insurance who are

WE MANUFACTURE OUR OWN BEDS—and are the sole outlet for their sale.

AND... John Hall has added a new "first" in manufacturing box springs. A layer of non-allergenic Polyurethane, one and one-half inches thick, covers the entire spring assembly, plus extra padding where more support is needed. Now you can enjoy an allergy-free bed (and the box spring is so comfortable you can sleep on it alone). Top this off with a 4 1/2" genuine B. F. Goodrich reversible foam rubber mattress for finest sleeping comfort ever. Three compressions from which to choose.

POLYURETHANE MATTRESS PADS... **1.95**

HONESTLY—these new Box Springs are so comfortable you can separate spring and mattress and sleep on either. Wonderful in emergencies where extra beds are required!
