

We owe so much of our success to you.

25 years ago, we set up shop in Georgetown, KY, and we haven't stopped since. Today, Toyota operates ten plants throughout the U.S., including our newest one in Blue Springs, Mississippi. We know that none of this would be possible without you, our loyal customers. And we'd like to thank you for standing by us, and making us feel so welcome in the communities we call home.
