# MACY'S CELEBRATES BLACK HISTORY MONTH

**This February, we honor the beauty,  
the inspiration and the legacy.**

In honor of Black History Month, Macy's and The Romare Bearden Foundation celebrate the 100th birthday of the African-American artist, innovator, scholar and visionary Romare Bearden. Join us at select Macy's locations for exciting and inspiring events as we showcase Romare's artwork and celebrate his legacy with children's arts activities, storybook readings, live music and cooking demonstrations featuring Romare's favorite recipes.
