*1.99% Introductory Annual Percentage Rate (APR) is available on Equiline Home Equity Lines of Credit with a U.S. Bank Package and a 70% or 80% loan-to-value (LTV) or less, depending upon the market. The introductory interest rate will be fixed at 1.99% during the six month introductory period. A higher introductory rate will apply for a credit limit of \$15,000 to \$24,999 and an LTV above 80%. After the six month introductory period, the APR is variable and is based upon an index plus a margin. The APR will vary with Prime Rate (the index) as published in the Wall Street Journal. As of February 1, 2013, the variable rate for home equity lines of credit ranged from 3.99% APR to 6.99% APR. Higher rates will apply for a credit limit below \$99,999, an LTV above 80%, a low credit score and/or not having a U.S. Bank Package relationship. The rate will not vary above 25% APR, or applicable state law, or below 1.99% APR. An annual fee of up to \$100 may apply after the first year. Offer is subject to normal credit qualifications. Rates are subject to change. Property insurance is required. Consult your tax advisor regarding the deductibility of interest. Other restrictions may apply.
