WEB COORDINATOR

Travel Portland, an organization dedicated to strengthening the economy by marketing the metropolitan region as a preferred destination for meetings, conventions and leisure travel, is looking for a **Web Coordinator** to join our team. In this newly created position, you will oversee the day-to-day operational activities for Travel Portland's web presence and its underlying infrastructure.

This entry level position is responsible for supporting, executing, analyzing and enhancing the technical implementation of Travel Portland's digital channels: web, e-newsletters, online advertising and social media. This includes proactively and reactively defining tasks, bugs or areas for improvement and tracking them through to a successful outcome, assigning the work to external vendors (or yourself) as necessary.

This is a full time, benefitted position, working 37.5 hours per week from our stunning downtown offices. A successful candidate will be a tech savvy individual with some programming experience and superb communication, analytic and organizational skills. A Bachelor's degree, ideally in computer science, is highly desirable and up to 4 years of comparable experience.

Travel Portland is an EEO/AA/ADA employer committed to diversity. All interested candidates must apply online at: <http://mbljobs.iapplicants.com>.
