

O

DREAMS MADE REAL

My dream: To create a series of nonprofit health clinics that would provide people who don't have access to quality care with immunizations, checkups, and health education.

Long-term goal: I want to be an advocate for equitable health policy and overall life improvement for underserved communities.

High school: De La Salle North Catholic High School, Portland .

UO major: Planning, public policy and management with a focus on public health.

What drives me: My family and my faith. I feel a big responsibility to be a positive role model and to help prepare my younger siblings, nieces, and nephews for whatever they choose to pursue.

My hero: My mother.

Advice to my little sisters: You are beautiful and powerful. Never lose faith in yourself or your ability to overcome adversity.

Who I'd like to thank: The Skanner Foundation for the scholarship and the UO for once again sponsoring me.

Congratulations to UO junior **Shaniece Curry**, 2015 Skanner Foundation scholarship recipient!
