*How many political earthquakes did this publication cause? How many political leaders got vexed and annoyed? How many neighbors read the articles, nodding and agreeing? How many youth pored over the copy and asked, “Why are they letting them get away with this? I’ve got to do something!”*

*Portland wouldn’t be as far along as it is without The Skanner. And there is still so much work to be done, but at least now we have firm shoulders on which we can stand.*
