WIRE A LIGHT

A Workshop for WOMEN and Introduction to the Electrical Trade

Electricians enjoy satisfying careers and earn up to \$40 an hour after a tuition-free apprenticeship. Come learn how to wire a simple circuit, meet female electricians from the industry, and find out how you can apply for this opportunity. No electrical experience is necessary. Our apprenticeship training allows you to earn a living with health care and retirement benefits while learning on the job and in the classroom. We are seeking applicants who enjoy an active and diverse career.
