Congratulations on 40 wonderful years of service to the community. I met Bernie many years ago when I lived in Seattle and worked as an anchor/reporter at the NBC station (KING-TV-5) and as the first Black news anchor in the Pacific Northwest. You stayed the course! Just continue to do the good work that you've been called to do.

And may God's angels continue to smile upon you, your family, friends, customers and supporters of the Skanner! Your voice is forever loved, appreciated and needed.
