Ready For Take Off Sea-Tac IAF Overview & Procurement Plan

Meet the Clark/SOM/Port Team and get an overview of upcoming opportunities on the project
Small and Diverse Businesses are encouraged to attend.

Project Description: The project will involve the construction of a 350,000 square-foot International Arrivals Facility Building on the east side of the South Terminal Expansion (Concourse A). It will also feature an elevated sterile corridor, raised nearly 32 feet above the apron level, which will house gates A6-A14 and approximately 45,000 square feet of floor space, as well as an "iconic" bridge, which will span 900 linear feet over the existing taxi lane, connecting the S Terminal to the IAF.

Agenda: Project Overview and Schedule, Procurement Schedule, Small Contractors and Suppliers (SCS) and Diverse Business Goals, and Upcoming Early Work Packages.

When: Thursday, April 7, 4:00pm - 6:00pm
- Presentation will start promptly at 5:00pm

Where: Port of Seattle Commission Chambers, Pier 69
2711 Alaskan Way, Seattle Washington 98111
