FILM REVIEW: ‘Sausage Party’ Shows Groceries Seeking Salvation

By Kam Williams  
For The Skanner News

Frank (Seth Rogen) finds himself frustrated sitting on a shelf at Shopwells supermarket where he’s cooped up in a shrink-wrapped package with seven other sausages. They pass their time speculating about what awaits them in “The Great Beyond,” meaning the vast unknown just past the cash register on the other side of the door.

They’re all very eager to be bought because of an unfounded belief in a

bliss. And Frank has another reason he wants to leave, namely, a crush on Brenda (Kristen Wiig), the curviest of the girly Glamour Buns.

Then, when they’re all about to be purchased during the blowout 4th of July sale, Frank learns from a returned jar of Honey Mustard (Danny McBride) that they’ve been operating under a mistaken assumption all along. Truth be told, food simply gets taken home and devoured eaten by the humans.

So, Frank sounds the alarm, warning, “The Gods are evil and they kill us!” Unfortunately, the news falls mostly on deaf ears, since the majority of his friends are simply way too brainwashed to catch on

“Sausage Party is a hard to pigeon-hole, adult-oriented cartoon

rumor that the store’s customers transport their groceries to a heaven-like utopia to enjoy lives of neverending
