

# HEALTH HAPPENS HERE

Health happens in all sorts of places. In our homes. At the grocery store. When we spend time with friends and loved ones.

At FamilyCare Health, we're committed to supporting the whole health of our 125,000 Medicaid and Medicare members, empowering them to lead happy and fulfilling lives where they live, work, and play. To find out more about our plans and philosophy of care, visit [www.familycareinc.org](http://www.familycareinc.org)
