Interview

cont'd from pg 7

Ju Yen asks: What is your earliest childhood memory?

OM: Playing on a Slip 'N Slide with my sister at my grandma's house.

KW: When you look in the mirror, what do you see?

OM: I see an Asian-American woman.

KW: What is your guiltiest pleasure?

OM: It's not exactly a pleasure, but I procrastinate way too much, to the point that it feels like something I shouldn't be doing, but my guiltiest pleasure is probably watching "The Real Housewives."

KW: What is your favorite dish to cook?

OM: My mom's homemade bread from scratch.

KW: The Uduak Oduok question: Who is your favorite clothes designer?

OM: Gosh, I have a lot. I lean towards wearing the smaller, up-and-coming designers, because I know what it's like to hope that people are giving you a shot when you're starting out.

KW: Larry Greenberg asks: Do you have a favorite movie monster?

OM: I don't know if he's a monster, but I love Beetlejuice.

KW: He's definitely a monster. He really creeped me out. The Viola Davis question: What's the biggest difference between who you are at home as opposed to the person we see on the red carpet?

OM: I'm exactly the same. I'm in full hair and makeup and wear a gown every morning. [Chuckles] There are many differences. On the red carpet, you have to be comfortable just standing there while everybody takes your picture. I think the biggest difference is in how I look. For the carpet, I go full glam. I love it when I have my hair and makeup done. I just feel all done-up.

KW: Finally, Samuel L. Jackson asks: What's in your wallet?

OM: Canadian dollars.

KW: Thanks again. I really enjoyed our chat.

OM: Me, too, Kam. Bye.
