

Honoring Dr. Martin Luther King. Jr.

Life's most persistent and urgent question is, "What are you doing for others?"

DR. MARTIN LUTHER KING, JR.

Love is such a powerful force. It's there for everyone to embrace—that kind of unconditional love for all of humankind. That is the kind of love that impels people to go into the community and try to change conditions for others, to take risks for what they believe in.

CORETTA SCOTT KING
